

## LVC Recipient Of Ford Grant

Lebanon Valley College is among 615 colleges receiving grants from the Ford Foundation appropriation of \$210,000,000 to help raise the level of salaries on college faculties throughout the United States. The amount of money granted to Lebanon Valley will be approximately \$159,200.

The income from the grants, which were announced on December 13, 1955, will be used only to increase faculty salaries during the next ten years. After this period of time the principal amount as well as the interest on the grant may be used in any way that the college deems

## Chemistry Department And College Benefit From Dupont

Dupont de Nemours and Company has given a grant of \$2,500 to the Chemistry Department of Lebanon Valley College for the school year of 1956-1957. The purpose of the grant, as specified by the provisions governing it, is to advance the teaching of chemistry.

An additional amount of \$1,500 has been given to the entire college. Its purpose is to strengthen the teaching of various liberal arts subjects studied by future engineers and scientists and thus provide for the intellectual discipline of these students.

## From Hosiery Mill To Chemistry Lab

Lebanon Valley College may get its proposed new science building sooner than expected if reported negotiations are completed for the purchase of the A. R. Kreider Manufacturing Company properties located on North White Oak Street and Church Street.

A former hosiery mill, the terms for the property are expected to be completed by February 1. Included in the purchase is a three-story brick building on North White Oak Street, a two-story brick building on Church Street, and several frame structures used as garages and warehouses at the rear of the brick

## Allentown Industries Aid Future Teachers

Any students who are residents of Allentown and attended either Allentown High School or Allentown Central Catholic High School are eligible for a scholarship if his field is teaching.

From a bulletin released recently to this paper the Kift-Mullen Memorial Foundation has scholarships open to future teachers from the Allentown area.

The Robert L. Kift - Thomas R. Mullen, Jr., Memorial Foundation is a private foundation supported by Lehigh Structural Steel Company, Lehigh Construction Company, and Utilities Service Company.

To be eligible for a scholarship the following qualifications are given:

1. Be a graduate of Allentown High School or Allentown Central Catholic High School;
2. Be in full standing in the junior or senior year at the time payment of the award is actually made;
3. Express an earnest intention to teach school;
4. Maintain a scholastic standing acceptable to your college;
5. Give evidence of good teaching promise and satisfactorily prove need of financial assistance.

An application must be in writing no later than March 1 of your sophomore or junior year in college to be selected.

The letter of application should be sent to the principal of the high schools listed above accompanied by a transcript of your college record to date.

Winners are chosen by a Committee of Awards composed of the Superintendent of the Allentown School District and the principals of the city's public and

## Dr. Stonecipher Named Honorary Membership

Eastern Association of College Deans and Advisers of Men voted Dr. Alvin H. M. Stonecipher, head of the Lebanon Valley College department of foreign languages, an Honorary Membership in the association at their annual meeting at Atlantic City it was announced in December, 1955.

Dr. Stonecipher was dean of Lebanon Valley and at that time a member of this association. He was president of the association and also served on the board of directors.

## Seniors To Take Civil Service Exam

College seniors and postgraduates will have another opportunity on February 10 to try for a career in the Federal service, the Civil Service Commission announced recently. The second nation-wide test under the Federal-Service Entrance Examination Program will be held on that date. January 18 is the deadline for filing applications.

College men and women who passed the first Federal-Service Entrance Examination last month will be eligible for job offers in many administrative, personnel, technical or professional fields by February or March, the Commission said. Similarly, those passing the February 10 examination should be eligible for a job offer by spring. It is estimated that 7,700 Federal openings at salaries ranging from \$3,670 to 4,525 annually will be available during 1956.

Persons who cannot meet the January 18 deadline should file as soon as possible

## Findings of Committee On Student Seating At Home Basketball Games

As a result of the public opinion poll conducted recently, student seats at basketball games will not be specially reserved by Student-Faculty Council this year.

Choices were given for student preference in seating arrangements at basketball games:

1. Seats reserved for students only;
2. seats reserved for students and wives of married students;
3. no seats reserved at all for students.

There was a total of 275 students who gave their opinions; 198 voted for suggestion two, 47 voted for suggestion three, and 30 voted for the first suggestion. Even though most students favored suggestion two, there was a strong opinion by many that friends, parents and dates from off campus should be permitted to sit with the students.

This feeling of the students can not, in any event, be overlooked; but under these conditions it would practically be impossible to make feasible the reserving of seats for everyone. This would in all probability involve a complicated, red-tape ticket plan. Also, up until the recent game with Gettysburg, seats were relatively easy to get—sometimes even as late as 8:15 p.m.

The committee therefore suggested at the last Student-Faculty meeting held December 12, that no reserving of seats at home basketball games take place this season under the auspices of Student-Faculty. This was carried by the members of Student-Faculty as suggested.

CAMPUS CLATTER

Who am I as a person? How am I, as a scientist, psychologist, sociologist, related to other fields of endeavor? Where am I? What is the most valuable thing in life to which I should be dedicated, give my energy and affection? These and other questions confront the confused student in colleges and universities everywhere.

At Lebanon Valley College there is not a student who hasn't heard the college's motto from John 8:32, "You will know the truth, and the truth will make you free." Are we free? Is there any connection between the various studies, or between the whole intellectual life and the rest of life where we students play, have fun, relax and express ourselves? Are we students storing up isolated data in our separate filing case in the cranium for each course to pass the exam, to get a degree, a better job, a bigger car, higher status—this seems to be uncriticized conformity rather than freedom.

Do not students thirst to know the most urgent truths or relationships? The students in the chemistry dungeons work day in and day out discovering the truths of nature in molecules which make up our material world. But will they discover the relationships of these truths and the concern of man's mind and spirit? Rather, some of these students are content to settle for a game of pinocle or hash over the campus gossip.

There are thousands of road signs for the student today, but few guides to give him an understanding of the various destinations. Lately, some interest by a few students has been shown in questioning some of the school's policies toward the student in regard to activities fee, compulsory infirmity fees for day-students, compulsory SCA membership fees, etc. Yet little concern, if any, has arisen from the student body. Is the answer to this lack of evangelism on these issues that the students have become cynical in expecting any accomplishment? Maybe students have the mood as a popular cartoonist, let's face it, "people are no damn good." There will always be war and rumors of war, cheating, grabbing for what is mine.

Many of these concerns of our society are brought to the attention of the student in the classrooms—especially in Social Studies 30. In bull sessions students grumble for the answers. But what has happened to the intellectual forums and discussions of yester-year? Probably the closest we come to these is during Religious Emphasis Week, when some person from the outside scratches the surface of our minds. It is a week when students seem concerned for others—in fact, a gentle revolution seems to start. But, alas, everything is back to normal the next week; the shell closes again on LVC.

Here and there, through an inspired

thereafter to obtain consideration for future examinations in this continuous program, the Commission said. Those who filed after November 18, the deadline for the first examination last month, need not file again and will be notified where to report for the written test.

Details of the program will be explained by special Federal teams which plan to visit many college campuses before February 10. Inquiries may also be made and application blanks obtained at college placement offices. The examinations will, in many cases, be held in cities in which colleges are located, for the maximum convenience of students.

Students and postgraduates interested in Federal management internships should file for the February 10 examination, stating their interest. They will be permitted to take an additional written test on February 10 and an oral test later.

SEATING  
Cont. from p. 1, col. 3

The committee wishes to thank Student-Faculty Council and students for their participation and cooperation. The response was good and many comments were of great value. Any further suggestions by students will be greatly appreciated by Student-Faculty Council.

Some observers point out that seats are below premium this year since the basketball team is not doing as well as in years past. Rather, this shows that the students and friends of the college are not avid supporters when the team needs them most. Regardless if the team is playing as poorly as they did against Drexel recently, or as hot as they were against Gettysburg last Saturday night—let's get out, fill up those seats and show by our spirit we are there fighting with our team.

professor working in a student the power of rebirth and renewal breaks forth; but the campus demands a greatness of mind and spirit that staggers the imagination, that directs us all to the source of our faith and calling. What shock do we need at LVC, and what will be our response?

Well, finals are coming up next week. Everyone will be in a "tizzy" until the following weeks are over. Good luck everyone and let's hope someone passes. ...Congrats go again to our basketball team for winning our 34th consecutive home game when we beat G-burg on Saturday night. All I can say is: Yeh, Sager!!!...When is Herbie's real birthday? It was September 29. I believe by now he is the oldest student on campus, anyway, Happy Birthday, Herbie!... Santa Claus really left a lot of diamonds come down the chimney this year. Those to be congratulated are: Louise Loper '56 and John Cotterell '56, Sylvia Rosenberger '56 and Dave Gittleman '56, Elaine Henderson '57 and Bill Erby '55, Dotty Gebau '56 and Bob Boyd '54, Elin Blom '56 and Sam Yeagley '56, Mary Ann Cullen '56 and Larry Fisher '58, Gene Zimmerman '56, Joe Nassaur '58, De Becker '56, and Bill Erikson '58...So to see that some of our friends will be leaving our campus at the end of this semester. Good luck to you all in whatever you may do!!!...Thanks, Vets, for that fine dance last Saturday night... member, hoagies every other night... see you next semester (I hope)!!!—D. M.

## Gab-About

Frequently overhead in student conversations are comments such as, "Boy, this campus is dead as a doornail over weekends," or "Where's your LVC school spirit?" Recently at a Student-Faculty meeting a bashful person inquired if anything could be done about reviving the buried school spirit on campus. Over Christmas vacation that small inquiring voice was forgotten and spirit at LVC still remains at a low ebb.

School spirit is probably at its best during basketball season (as long as our team is winning). This spirit is also manifested sometimes in weekend activities such as the L-Club Dance, Inter-Society Dance, Gander Weekend, County Fair and a few others. But these are relatively few activities compared to the many weekends in a school year. Many other dances are held to attract the students' attention, but those in attendance can sometimes be counted on a person's toes.

Clubs oft times stage something different which attracts curious onlookers. For example: early this school year the Vet's Club staged an air demonstration with Bill Schadler's help. Even if he failed to bombard the campus with handbills, the whole student body was there for the occasion. Possibly our social organizations could take a look at themselves and constructively plan programs which would help the campus.

Lack of school spirit is truly evident when the Yule season rolls around each year. Instead of many, merry students decorating the campus like a Christmas tree, two or three students can be seen struggling with a ladder across campus to a small tree between North Hall and the Conservatory to throw on a few colored lights. Even then some people are naive enough to unscrew the bottom bulbs out of the sockets to reduce the brilliance that the few lights do shine forth. So we could go on and on about school spirit.

A bulletin board is in much demand at Lebanon Valley College—yesterday and now—not tomorrow. Will school spirit be wan enough to allow the administration to take responsibility of this altogether? Or are the students demanding of this project as a service to all, and willing to accept the responsibility of erecting and taking care of it. The students can do it, if as was heard recently by a student sympathizer—the students don't poke at the administration and then run away to keep from being spanked.

What then, can be done about this so called school spirit? Wouldn't it be a dream if all the students awoke one day to find a student union on campus—impossible, you say. Not so; there is possibly one on campus right now, hidden by thousands of books. After many, many hard years of plans and preparations, dear old Carnegie Library is going to be vacated early this summer. A new library will be built to take care of the inadequate library situation now at hand.

What does this have to do with school

spirit and a student union? With some more planning and ingenuity, by the students this time, Carnegie Library could be turned into a student union. This, then, would create a central point on campus where students could congregate and coordinate campus life more. It wouldn't take much to put a juke box in the main center floor and have a good spot for dancing, tango, jitterbug, bunny hop, judo, or what have you. The reference room and periodical room could be made into comfortable lounges. Downstairs, more lounges could be made; or a small auditorium constructed to hold rehearsals for plays or skits. This would help relieve the heavy demand for the stage at Engle Hall. Going upstairs, there are good places for club offices and rooms — places where student groups could get together for those planning and activity periods. Remember—this is all a dreamer's dream—but it could come true if the students would see the light and press for action. This building program recently initiated is all well and good for everyone. But such a student union, planned and directed by the students, would be an invaluable aid to them and a great service would then be rendered by the administration to the student. A real student's need would thus have been realized.

### The College Boy

COLUMBUS, OHIO — (ACP) — A group of nurses at the University of Pennsylvania Nursing school recently wrote an essay entitled "What Is a College Boy?" and it was reprinted in the Ohio State Lantern. Here are a few selections:

A college boy is laziness with peach-fuzz on its face, idiocy with lanolin on its hair, and the "Hope of the Future" with an overdrawn bank book in its pocket.

A college boy is a composite... he has the energy of a Rip Van Winkle, the shyness of a Mr. Micawber, the practicality of a Don Quixote, the kindness of a Marquis de Sade, the imagination of Bill Sykes, the aspirations of a Casanova and when he wants something it is usually money.

He likes good liquor, bad liquor, cancelled classes, double features, Playtex ads aid girls on football weekends. He is not much for hopeful mothers, irate fathers, sharp-eyed ushers, campus guards, alarm clocks or letters from the dean.

A college boy is a magical creature... you can lock him out of your heart, but not out of your bank account. You can get him off your mind, but you can't get him off your expense account. He is a no-account, girl-chasing bundle of worry. But when you come home at night with only the shattered pieces of hope and dreams, he can make them seem mighty insignificant with four magic words: "I flunked out, Dad!"

## Dutchwomen Cage Schedule Listed

Four away games and three home games compose the 1956 schedule for Lebanon Valley's Women's basketball team which will start the season by playing host to Shippensburg on Saturday, February 4, in the Lynch Memorial Gym. All home games get underway at 9:45 a.m.

The schedule follows: Feb. 4, Shippensburg, home; Feb. 11, Millersville, home; Feb. 14, Elizabethtown, away; Feb. 18, Albright, away; Feb. 25, Moravian, away; March 3, Millersville, away; March 10, Elizabethtown, home.

## E-town and Moravian Next In Line For LVC

Elizabethtown College brings the second highest scoring small college outfit in the nation to the Lynch Memorial Gym Saturday night in what should be a wide open ball game.

Besides their 96.8 average, E-town boasts of the best free throw average in Sal Paone's .912 and also third best with Columbia's Jib Sarbaugh's .900.

The Valley's last loss to E-town came in the 1953-54 season, 77-74. Since then Lebanon Valley has taken three straight contests.

Just one week later the Valley goes on the road to meet Moravian College led by high scoring Skip Fegely.

The Dutchmen hold a 29-5 advantage over Moravian through the years which includes winning the last ten straight.

buildings.

A remodeling project to commence about May 1, the hope of the administration is that it will be in use for the 1956-1957 school year term.

At present the college science department is quartered in the administration building and Washington Hall, a temporary building, which will be demolished to permit construction of the new library on the site in the spring.

## FTA Plans

Future teachers of Lebanon Valley College, known as the Future Teachers of America, the George D. Gossard Chapter, will dominate most of the day. And the day is Tuesday, February 7.

At the chapel program four student teachers, Irene Urian, Benedict Salamandra, Shirley Heizmann, John Goodman and George Wolfe—all student teachers—will relate some of their experiences as student teachers.

The evening program at Engle Hall will feature films, group singing, and slides. Admission for the evening performance is thirty-five cents.

## LVC's Flying Dutchmen Wind Up Pre-Holiday Games With Three Wins

Lebanon Valley took three of its final four pre-holiday basketball games with wins over PMC, Shippensburg, and Lycoming while dropping their second game of the year to a strong Muhlenberg outfit.

### LVC 72; PMC 57

The Flying Dutchmen gained an easy victory over Pennsylvania Military College on Dec. 8 in the Lynch Memorial Gym by the score of 72-57.

Bob Nelson led the Valley attack with 25 points followed by Buck Bowman with 12 and Dick Shover with 10. Bill Dunn led all scorers as he poured in a total of 26 points for PMC.

The Dutchmen Junior Varsity outfit also took their wild and wooly game by the count of 63-41. Bob Kerstetter's 16 points and Bill Kristich's 12 plus the use of the full court press most of the contest turned the game into a rout.

### Muhlenberg 109; LVC 91

A big and powerful Muhlenberg outfit sent the Valley down to its second defeat of the current campaign on Dec. 10 at Muhlenberg by a 109-91 score. Despite a mighty effort by the Dutchmen, Muhlenberg pulled out in front with minutes left to play and, taking advantage of numerous Valley expulsions due to fouls, ran the score up past the century mark.

Co-captain Dick Shover tossed in 21 points to lead the Valley efforts. Bob Nelson and co-captain Jerry Steger also helped with 15 points each.

In the preliminary tilt the Dutchmen understudies went down to their first defeat of the year by a 100-87 count. Bob Kerstetter and Lloyd Smith were top point-getters for the JV's with 21 and 19 respectively.

### LVC 89; Shippensburg 79

The Dutchmen turned back an aggressive Shippensburg State Teachers College squad in the Steelton Rotary Club Youth Fund benefit game on Dec. 12 by the score of 89-79 at Steelton.

Don Reinhard, Jerry Steger, and Bob Nelson led the scorers with 27, 24, and 22 points in that order. The Valley took a small lead early in the game and maintained it with steady play and deft shooting throughout the remainder of the contest.

### LVC 88; Lycoming 62

The Valley stretched their home win streak to 33 on Dec. 15 as they easily defeated an out-manned Lycoming College team to the tune of 88-62.

Grabbing nine points before the Warriors could find the basket, the Flying Dutchmen built up a lead that was never threatened the remainder of the game.

Sporting a 43-25 lead at the half, Coach Marquette used his reserves freely throughout the remainder of the game.

## Valley Evens Score With G-burg Drops Third Game To Drexel

### Garner 34th Straight Win At Home, 85-67

The Flying Dutchmen of Lebanon Valley soared to a 85-67 victory over Gettysburg Saturday night in the Lynch Memorial Gymnasium after being grounded by the Bullets in earlier season play at G-burg's home base.

The Valley was sparked by the inspirational leadership and prolific scoring of Captain Gerry Steger, who netted 24 points while playing a good floor game. Steger was followed into double figures by big Robert B. Bowman with 15; Bob Nelson, 13; Jack "Percentage" Peepe, 13; Don Reinhard, 10; and Dick Shover, also 10.

Bowman made a terrific showing with hook shots and drive-ins while Steger hit on set shots and jump shots. Nelson, whose hardwood mobility was hampered by excessive fouls, did a good job in the pivot post scoring, feeding teammates and rebounding. Peepe displayed outstanding ball control while driving for the majority of his counters. Reinhard played his usual consistent board game and alternated effectively in the pivot with Nelson and Bowman. Shover suffered from Gettysburg's concentrated defense while deviating from his 35 point performance against the Bullets the first time out.

Steger drove in for the opening two points of the contest after several scoreless minutes to give the Dutchmen a permanent lead. At the start of the second half a set shot by Fred Alleva, Gettysburg guard, cut the Valley's margin to two but a concentrated offensive surge by the locals pulled the game out of danger.

The game was hotly contested despite the obvious margin of victory. Flaring temper thrilled the spectators but caused one participant from each team to sit out the last three minutes of the game.

Al Teti led the G-burg five in point production with 16 while Charlie Hockenbury garnered 11 in addition to collecting quite a few rebounds.

All in all, the game was a team victory with six men hitting double figures for the Valley and an involved lending contributions necessary in a thoroughly cooperative winning effort.

The game marked the 34th consecutive win on the home court for the Marquette-men and showed possibilities for the extension of this streak.

Jerry Steger again led the Valley scorers with 22 points, followed closely by Bob Nelson with 19 and Jack Peepe with 18.

### LVC Has Trouble Scoring In 77-55 Loss

Lebanon Valley evened its record at three and three as they went down before a sharpshooting band of Drexel Dragons January 4, at Philadelphia, by a 77-55 score.

The Flying Dutchmen had one of the lowest scoring first halves in many games with only 21 points registering. Drexel Tech took advantage of this scoring lapse by building up a ten point lead at the half-way mark.

Bad passing and mishandling of the ball proved to be the deciding factors for the Valley with a poor shooting percentage from the floor also helping to decide the Dutchmen's fate.

Drexel grabbed an early ten point lead and maintained it throughout most of the contest. At one point late in the game the Valley pulled within six points but the Dragons pulled away in the closing minutes and turned the game into a rout.

Drexel center, Bob Buckley, led all scorers for the night with 28 counters while Ron Keppinger tossed in 12 to help the Dragons garner their first win of the current campaign.

Co-captain Dick Shover led the Valley in their losing cause with 14 markers. Jack Peepe was second high with 11 followed by Bob Nelson's nine.

The junior varsity squad journeyed to Hershey to take on the Hershey Junior College quintet in what turned out to be a thriller as the Dutchmen eked out a 91-90 victory.

Ted Pounds was big man for the Valley with 24 tallies, while Bill DeLiberty added 21, eight of which came in the overtime period.

#### NELSON THIRTEENTH

Official basketball statistics as released by the National Collegiate Athletic Bureau for small colleges places Lebanon Valley's junior forward Bob Nelson thirteenth among the nation's scorers with a .558 average on 43 field goals in 77 attempted. The figures include games up until December 31.

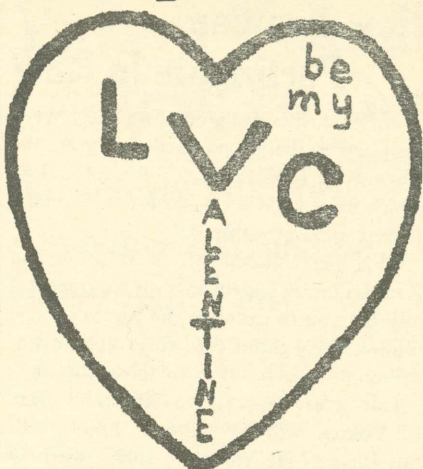

The Lebanon Valley Junior Varsity found little opposition in the Penn State Center as they gave them a 110-40 shellacking.

Ted Pounds tallied 28 points to lead the Valley onslaught. Kershner's 13 counters and Kerstetter's 12 also helped push the score past the magic number.

# Day Students To Sponsor Valentine Dance

Twaannnggg! Another arrow leaves Cupid's bow in search of its target. Now that February has appeared, all young hearts have eagerly turned towards the magic date of February 14: St. Valentine's day. Lebanon Valley College is assisting the tiny god of love in his task of match-making. This aid is in the form of an annual Valentine Dance. The dance is sponsored by the Women's Day Student Council in cooperation with the Men's Day Student Congress. Buddy Karl's Orchestra of Lebanon will furnish the music in the auxiliary gymnasium on

February 10, from 8:30-11:30 p.m. Admission to the dance will be free; and dress will be semi-formal. During the dance, a Valentine Queen will be crowned. This has been one of the highlights which has given the dance much popularity in the past few years. She will be a day student chosen by the Men's Day Student Congress. So c'mon fellows, bring your favorite girl and set her heart awhirl at the annual day student Romance Dance. Oh, yes—girls, don't forget, this is leap year...

### Dinner Dance Highlights Chem Club Activities

On the night of February 17, the smoke haze familiar to the chemistry labs at LVC will ascend and deplace itself to the dining room of the Palmyra American Legion, where the Chem Club will be holding their annual Dinner-Dance.

Mr. Harry L. Hovis, '29, will be the after-dinner-speaker. Besides being Chief Chemist of the Research Division of Hamilton Watch Company in Lancaster, Mr. Hovis has an interesting hobby in experimenting with perfumes, on which subject he shall talk.

Bill Trostle and his band will set the mood for dancing later in the evening.

### FTA Day At LVC

Future Teachers of America of Lebanon Valley College held their annual teachers' day this past Tuesday, February 7. A chapel service was presented as a unique combination of student teachers and their own pupils as based on the theme "The Teacher For Today Creates For Tomorrow." Guests at the chapel program included pupils from Annville, Cornwall, Lebanon, and Palmyra high schools. These high school groups represent one of the aims of F.T.A. which is to organize high school Future Teachers of America.

At the evening program in Engle Hall a full length feature film was shown about teaching. Numerous groups of slides and short subject films were shown also.

This year was the sixth consecutive year the future teachers presented programs during the chapel hour. They have proven successful according to Dr. Gilbert D. McKlveen, head of the education department.

### Marines Seek Students Male and Female To Become Officers

Captain Vivian B. Bulger, Marine Corps Women's Officer Procurement Officer for the 4th Marine Corps Reserve and Recruitment District, will be at Lebanon Valley College on Monday, February 13, to discuss opportunities for women students to earn a commission as a second lieutenant in the U. S. Marine Corps. Captain Bulger will be located at Washington Hall in the College Lounge from 1:00 until 3:00.

The class is open to college sophomores, juniors, seniors, and graduates, and does not require specialized studies or drills during the academic year. Training for members of the Women Officers Training Class takes place during the summers.

On February 15, Captain E. H. Utley, the Marine Corps Officer Procurement Officer, will be at Lebanon Valley College to discuss opportunities for male students to earn a commission in the U. S. Marine Corps. Captain Utley will be located in the College Lounge during his visit between the hours of 10 a. m. and 4 p. m.

There are two officer training programs which the Marine Corps offers college students, both of which offer opportunities as ground officers or pilots. Seniors may be eligible for the Officer Candidate Course program and freshmen, sophomores and juniors may be eligible for the Platoon Leaders Class program.

### Pi Gamma Mu To Hold Banquet

Pi Gamma Mu will hold their Eighth Annual Dinner meeting on Friday, March 2, 7 p. m., at Palmyra American Legion Home in Palmyra.

W. LEON GODSHALL

Anyone may purchase tickets for the banquet from any Pi Gamma Mu member on the campus. There is to be a combination seafood or steak dinner; the cost —\$2.50.

Speaker for the occasion will be W. Leon Godshall, head of the department of International Relations at Lehigh University.

Dr. Godshall, a graduate of the University of Pennsylvania, is known as writer, traveler, and lecturer.

As a writer, Dr. Godshall is a co-author of *History of Civilization*, *Major Problems of International Politics*, *Contemporary Europe*, and many others. He has traveled into Europe, Africa, Asia, and parts of Central and South America.

Among the many listings he's under will be *Who's Who in America*, *Who's Who in Pennsylvania*, and other biographical dictionaries.

## CONSERV NOTES

Mrs. Nevelyn Knisley, faculty member of the conservatory of music, presented Bruce Thompson, senior, in a piano recital, Monday, January 9, in Engle Hall. Mr. Thompson's superb program included:

English Suite in G minor—Bach  
Prelude  
Allemande  
Courante  
Sarabande  
Gavotte  
Musette  
Gigue  
Expressions . . . . .Tcherepnin  
Entrance  
The Hour of Death  
Silly Story of the White Oxen  
Piano Sonata . . . . .Copland  
Molto moderato (first movement)  
Capriccio Op. 76, No. 2—Grahms  
Intermezzo Op. 116, No. 6—Brahms  
Ballade in G minor—Chopin

Tuesday, February 7, was FTA Day. The chapel service for the day was in charge of the FTA organization on campus. Jack Goodman, Shirley Heizmann, Joyce Snyder, and George Wolf represented the conservatory of music on the program by presenting some of their students with whom they come in contact in their student teaching.

Some recitals are hovering on the horizon. Mr. Fairlamb will present a studio recital February 13, at 7 p.m. There will also be a public recital in Engle Hall the same evening beginning at 8 p.m.

Mrs. Knisley presented students in a studio recital Feb. 6.

Congratulations to the former Louise Cody, senior in the conservatory of music. Miss Cody became the bride of George Karapandza on January 21.

Miss Anna Lou Fisher, senior in the conserv and alto soloist in the Glee Club, was not able to participate in the annual tour this year. Miss Fisher was injured in an automobile accident while returning home after semester examinations.

The Glee Club is now making its twentieth annual tour. This year the forty-member vocal organization accompanied by a fourteen piece student orchestra is touring the southern part of Pennsylvania, Maryland, Virginia, and the District of Columbia. The Glee Club will present their entire tour program February 21 at 8:30 in Engle Hall for the entire student body.

### AFTER GAME DANCE

On Saturday evening, February 11, after the Flying Dutchmen tangle with the Moravian Greyhounds a dance will be held in the auxiliary gym, sponsored by the Legionnaires. Here is your chance to perform basketball-like stances on the hardwood court. Admission to the dance is 35c per couple, or 25c stag.

## How You Can Participate In REW

An extensive Religious Emphasis Week program is being planned for you, the students of LVC. March 5-8 are the days which have been set aside for this annual feature on our campus.

This year's theme of "Revolution and Reconciliation" affords a great opportunity for you to examine the forces of revolution throughout the world and to understand your relation to these forces.

Our guest leader, the Reverend Ezra P. Young, will be quite at home with this theme. He has done social work in Turkey as a member of the World Service Staff of the International Committee of the YMCA. Having traveled in the East and in other parts of the world, Rev. Young has witnessed many of the forces of revolution. At the opening convocation on Tuesday, March 6, he will speak on the subject, "Panic, Paganism and Panaceas." "Reconciliation and Redemption" will be the theme delivered at the closing convocation on Thursday of that week. Rev. Young will speak on the subject "World Struggle for the Minds of Men" at the annual faculty banquet. In addition to speaking to the student body and faculty at various points on the program, Rev. Young will direct the two Skeptics Hours to be held at four o'clock on Tuesday and Thursday afternoons in Delphian Hall, and he will conduct student interviews at designated times throughout the week.

Dormitory Discussion Groups will be held at nine o'clock on Tuesday evening of Religious Emphasis Week. Three sessions are scheduled, one each in North Hall, South Hall, and the Men's Dorm. Three guests from near-by college campuses will lead the groups. They are Professor Eugene N. Barth of Albright College, Professor Robert Byerly of Elizabethtown College, and Professor G. Wayne Glick of Franklin and Marshall College.

The Mincons (miniature conferences), which take the place of a Wednesday morning chapel hour, will consist of four questions indirectly connected with the theme of "Revolution and Reconciliation."

Another REW feature which has just come into being in more recent years is the Inter-Faith Panel. This year we are privileged to have three excellent guests who will serve on the Panel. They are, representing Catholic, Jewish, and Prot-

## SIXTH COLUMN

Hi everyone! I hope you all passed!!! . . . Well, we won our 36th home game. Nice going gang! How about trying as far as 50? . . . See new faces on the basketball team: Lloyd Smith, Bill DeLiberty, Bob Kerstetter, and Ted Pounds. Good Luck!!! . . . Congratulations to Mim Marcus and Jack Schwab who were married over semesters. Also, to Pat Gordon '57 and Bev Hemperly '58 who both announced their engagements just recently . . . Hey, you men grab your Valentines and take her to the Sweetheart Dance on Friday night sponsored by the Day Students. The admission is free. . . Good luck to those who made parts in the K-D play, **Harvey**. The casting was perfect! . . . Whose furniture was out on North Hall's balcony the other night? . . . Well, Sproulie, (Jack) say your last good-bye to the females on campus! Saturday is the day. . . Say, fellows! did you send your girls a Valentine??? Such as: candy, cars, minks, etc. . . . Good luck to Dr. Thurmond and his Glee Club on their tour! . . . estant faiths respectively, Rev. Robert J. Maher of Harrisburg, Rabbi Lester W. Roubey of Reading, and Rev. Chauncey J. Varner of Harrisburg.

How, then, will students other than those involved in committee work participate in REW? All students are encouraged to participate in REW by attending the Skeptics Hours, the Inter-Faith Panel, the Dormitory Discussion Groups, and the Mincons. Only by your attendance and participation in these seminars can the program be a success. Only by being present when the various aspects of the theme and other subjects are discussed can you benefit from Religious Emphasis Week. The guest leaders will be doing their part in presenting ideas and answering questions. Let's talk it up and do our part by taking advantage of the opportunity which is ours.

## Senior Eco Student Visits New York

"Peoples and folks of Lebanon Valley College . . . I wantcha to meet Davy Farling. He comes from up the road a bit, Palmyra.

"Now Davy here has just come back from the big city—New York. . . . And the first thing he did was tell me about it and now I'm gonna tell you about it.

"Davy, he went to New York, he did, on December 27, that was just after Christmas. And he was three days up there learnin' stuff so as to make him an accountant or 'watchamacallit.' He sure was busy, attendin' classes for three days. Then after that he went to work, Davy did, and went to Allentown, in Pennsylvania. He was workin' for Lehigh-Portland Cement Company, auditin' books and doin' accountin' work and such. By the way, Davy said he was workin' for Price Waterhouse Company. You've heard of 'em? They're an accountin' firm known all over the world with their main offices in the big city, New York.

"O' course, folks, this was jest in January. Rest o' the year Davy's 'round college here. And mighty busy too. He's the business manager of our college paper, LA VIE, he's vice president of Men's Day Student Congress and of Pi Gamma Mu too. Davy is a member of the Political Science Club yet already.

"An' even though he's been to the big city, Davy's still remembered by his alma mater, Palmyra High School. He graduated from there in 1952. And further back than that even, the old townspeople remember him as just a youngster, as Master David John. Even then he was a good worker, runnin' errands and rakin' leaves and such.

"An' his upbringing has really brought him up in the world, eh?

"So there you are, folks, all about Davy Crockett, I mean, Davy Farling. If you want a good man, folks, see Davy!"

Function of the newly organized committee will be to agree on recommendations to improve biology instruction in all levels.

## Valient Veterans Drop 31-29 Contest To Gracious Girls

### Intramural All-Stars Announced; Schedule Game With York

It's Intramural All-Star time at Lebanon Valley College and Thursday night, local basketball fans saw some of the boys who play for fun as they took on the Penn State Center team of York.

The Dutchmen JV's downed the Center boys 120-40 in a game (?) played December 15, and the Yorkmen will be seeking revenge.

Leading the list of All-Stars is Irv Krant, high scoring Delta Tau Chi forward, who is averaging 14 points per game in campus-wide competition.

Charlie Zettlemoyer, a four year veteran, and Jim Laverty will represent Kalo in the skirmish. Bob Handley, Dale Shellenberger, and Henry Douglas will represent Uncle Sam's veterans, while Roy Boush, another old-timer, will be playing after a successful season with the Knights. Bill Kiick, another Knight and a returnee from the Drexel JV clash, will see action as will a third Knight, Gene Adams. Frank McCullough, whose significant contribution of the year was a four-point performance against Drexel, will make an encore while under contract with the Troc.

Kenny Platt and John Ollinger will make an appearance after leading Philo to a one win-three loss log thus far.

With one more week of play remaining in the first half of the regular season schedule, there is a three way tie for first place with Troc, Knights, and Vets knotted for the loop leadership.

### Dutchwomen Lose To Shippensburg, 50-38

Opening their official season Saturday, February 4, the Flying Dutchwomen played host to Shippensburg State Teachers College. Although the aggressive attack seems improved since last year, the varsity just did not have the spark needed to win. A little more support from the student body would certainly be appreciated by the girls and would help to boost the spirit of the team.

Scoring honors were captured by Naomi Sprenkle with 19 points. Jeanne Winter contributed eleven points, and Marie Sponsler and Phyllis Dasher each had four points.

The final score was Lebanon Valley 38 and Shippensburg 50.

In the following game the J. V.'s from S.S.T.C. were the winning squad with a lead of two points over the Lebanon Valley team. Marion Brooks led the offense for the Valley with fifteen points.

### "We Was Robbed" And "Wait'll Next Year"

In their informal attire of long underwear, ski socks, and cavalry hats the Legionnaires' basketball team proved an excellent match for the tremendous girls' team until they wavered in the overtime period. The game between the two squads was played on Monday evening, January 30, in the Lynch Memorial gymnasium.

While playing under the approved rules for girls' basketball, the veterans were a trifle stagnant and static and predominated only during the third period when men's rules were employed. After both sides had battled to a 29-29 tie, the game went into an overtime session. During this time the girls struggled to overcome their handicaps of lack of height and previous inaccuracy at the foul line.

The game-winning shot was fired by Naomi Sprenkle, high scorer for the girls' varsity, with seven points. Henry Douglas with eight points led the Legionnaires in scoring. The sound of the buzzer brought the game to a close with the score girls 31 and Legionnaires 29.

### Valley Drops Return Game To E-Town, 74-56

The Flying Dutchmen of Lebanon Valley received a 74-56 trimming by Elizabethtown College in the spacious Hershey Sports Arena on Friday, February 3.

Once again the Valley could do no right as the Bluejays from E-town avenged an earlier loss to the Dutchmen in the Lynch Memorial gym.

The first half was a nip and tuck battle until the closing minutes when E-town pulled away to a five point lead. Both teams displayed good defense with the Valley hitting on eleven of fifteen foul attempts, but the Bluejays led at the half by a 30-25 count.

The second half was an altogether different story as the Valley was outplayed and outscored by an aggressive band of E-towners. The opening minutes saw the Jays grab a quick twelve point lead and then steadily lengthen it. Excessive fouling by the Dutchmen coupled with the fact that they couldn't get a clear shot at the basket were the big differences in the contest.

Bob Nelson was the Valley's only bright spot as he led all scorers with 28 points. Gerry Steger with ten and Dick Shover with eight picked up most of the remaining points. Freshmen Bill Pencil led the Bluejay attack as he poured in 25 counters on drive-ins and set shots.

This loss brought the record of Coach Marquette's Dutchmen for the year to seven wins against five losses.

## Flying Dutchmen Down Franklin and Marshall For Win Number Six

The Flying Dutchmen of Lebanon Valley College racked up win number six Tuesday, Jan. 10, at Franklin and Marshall as they downed the Diplomats by a 78-66 score.

Consistent scoring and good rebounding proved the margin of victory for the Valley with Bob Bowman, Jack Peepe, and Don Reinhard sweeping the boards clean time and time again.

The hard driving of Dick Shover and the set shots and one handed pop shots of Gerry Steger led the Dutchmen's well-balanced attack. Shover was high man for the night with 26 points, ten coming from the charity line. Steger followed with 19. F&M's Kainig and Chase led the Dips with 23 and 21 respectively.

Halfway through the first half the Valley managed an eight point spread as Shover and Bowman put on a scoring show.

Nursing a 35-27 lead going into the second half the Dutchmen were temporarily dazed by five straight long sets of F&M's high scoring Warren Chase. Once again the Valley pulled eight ahead and this time kept a safe distance until the final buzzer sounded.

Bob Nelson led the Dutchmen defense as he repeatedly blocked seemingly sure shots and turned them into Valley baskets.

This win proved especially sweet, as it was the first Lebanon Valley victory on an opponent's home court this year and brought the Dutchmen's record to six and three.

In the preliminary tilt the Lebanon Valley JV's continued their winning ways with a 77-68 verdict. Ted Pounds with 19, Bill Kristich with 16, and Bill DeLiberty with 18 led the Valley onslaught.

## Moravian, Upsala, and Albright Next In Line

Moravian provides the opposition for the Flying Dutchmen cagers this Saturday night with Upsala playing here next Thursday and the Valley traveling to Albright the following Saturday.

Coach Gil Gillespie brings an average Moravian squad here, but one that boasts of an earlier season 78-67 win over the Valley. Although the Dutchmen lead in games won over the years 26-9, Moravian, led by 6'3" Russ Fegley and 6'5" Andre Gorbeau, should keep the Valley busy.

Lebanon Valley holds a 4-2 advantage over Coach Don Walker's Upsala outfit and also wins for the last three years. Al Wisniewski and Joe Gasparini are currently leading the Upsala outfit.

Albright College, featuring high-scoring George Conrad, will be out to add win number 35 to their rivalry which dates

## Valley Takes West Chester; Easily Defeats E-town

### Late Rally Stretches Home Win Skein To 36

Lebanon Valley was forced to come from behind late in the second half to down an inspired West Chester State Teachers College quintet in the Lynch Memorial Gym by a 76-72 score last Saturday night.

This win over the Teachers in their only meeting of the year extended the home winning streak of Coach Rinso Marquette's Flying Dutchmen to 36.

After a close first half which saw the lead change hands a number of times the Valley held a precarious two point advantage. The Valley took rebounding honors in the first half, but a better shooting percentage by the Teachers balanced the score.

Halfway through the last half West Chester started to pull away and at one time held a nine point lead. With minutes to go the Valley again found the range and tied the score with 1:57 left. At this point the Valley put on a shooting exhibition as they tallied eight straight points from the charity stripe to ice the game.

Bob Nelson once again led the Dutchmen attack with 22 counters. Gerry Steger's 16 and Jack Peepe's 15 also helped the winning cause. West Chester's Terry German was individual high for his team with 20.

The Lebanon Valley JV's after getting off to a fast start were forced to the limit to down the West Chester junior varsity 63-57. Bill DeLiberty poured in 17 followed by Bill Kristich with 14 and Bernie Buzgon with 13.

### Shover Scores 29 As Dutchmen Lead All Way

It was the Lebanon Valley five of old that took the court Saturday, January 14, to defeat the highly-touted Elizabethtown aggregation by an 81-69 score.

With Gerry Steger working the ball and Dick Shover hitting from the corners the Dutchmen posted a 41-29 margin at halftime which was threatened but never overcome by the high scoring Bluejays.

Shover, striking with a one hand push shot from the corner, collected 29 points on 10 field goals and 9 foul shots.

Bobby Nelson hit for 20 points on close jump shots and tap-ins. Nels also grabbed 22 rebounds in one of his most impressive board performances of the year.

Jack Peepe was able to collect 11 counters while playing his usual excellent floor game.

Steger, usually an offensive gun, was content with setting up his teammates and, though scoring only nine points, handled the ball very well and provided Shover with many scoring opportunities.

The win was the 35th consecutive on the home court for coach "Rinso" Marquette's charges and sent the capacity crowd home impressed, if not 100% happy.

## Lebanon Valley Upset By Moravian, 85-59

Lebanon Valley College dropped its fourth game of the year to Moravian on Tuesday, Jan. 24, at Allentown by an 85-59 score.

Moravian took an early lead and maintained a ten point spread through most of the first half. Seventeen points in the second half by Moravian turned the game into a rout.

The Dutchmen couldn't get started as shot after shot rimmed the basket and fell out. Another major reason for the Valley's defeat was their failure to control the backboards.

Moravian's Toner led all scorers for the night with a total of 25 points closely followed by teammate Skip Fegley with 24.

Bob Nelson was high man for the Dutchmen with 14 counters. Dick Shover with twelve and Gerry Steger and Jack Peepe with ten each also helped the Valley cause.

The Lebanon Valley junior varsity also dropped their third game of the year as the Moravian understudies handed them a 58-53 setback. Ted Pounds with 15 was big man for the Valley followed by Bob Kerstetter's eleven.

## Education Students in College Begin to Practice Teaching

Eleven students from Lebanon Valley College have begun their student teaching for the second semester.

Dr. Gilbert McKlveen, head of the education department, and Dr. Cloyd Ebersole are supervising the secondary and elementary students respectively. Ebersole, head of elementary education, are supervising the secondary and elementary students.

## Lebanon Valley College Glee Club Tour

On the afternoon of February 3 a caravan consisting of a bus, a truck, and three cars carrying fifty-six Lebanon Valley College students left Annville. Thus did the Lebanon Valley College Glee tour begin.

That evening the glee club presented their first concert in the First E.U.B. Church, Ephrata. Saturday afternoon, amidst the freezing rain, our vocal aggregation left for Florin. Here they were awarded some free time. Now what can one do on a rainy day in the church basement of the E.U.B. church in Florin? Why play ping pong; shuffle board, and pinochle—with everybody crossing one another's paths and the background music of Totsi playing "America" in all keys.

Saturday evening a concert was presented in the new Donegal School. (Who pushed the button regulating the movie screen?)

Sunday morning at 6 a.m. the caravan left for Shippensburg where a concert was presented in the Messiah E.U.B. Church at 10:45 a.m. In the afternoon the glee club motored to Carlisle. Here a concert was given at 3:30 in Reverend Simpson B. Daugherty's church (Nancy Cont. on p. 2, col. 1

The secondary education students are doing their practice teaching in Lebanon, Hershey and Palmyra. The students and their critic teachers in secondary education are: Lebanon Senior High, Norman Blantz, Mr. Robert Hess and Mr. Albert Sincavage; Leo Savastio, Mrs. Hilda Longenecker and D. Daugherty's father). That same evening the glee club and orchestra participated in Carlisle's pre-lenten union service.

Monday morning the glee club sang for an assembly at Hanover High School. The director of music is George E. Rutledge, an LVC graduate of '52. Here our glee club was greeted by a very enthusiastic audience. "Poor Matilda!" Bases, you'll never smile again.

That evening a concert was given at the Second E.U.B. Church in York. Quite a number of alumni were present and "Matilda" finally came through.

Tuesday morning the caravan went to Mercersburg and sang at the new James Buchanan High School where Mary Treiber, an LVC '55 alumnus, directs the musical program.

At 4:00 p.m. the glee club crossed the state line and that evening presented a concert in St. Paul's E.U.B. Church, Hagerstown, Maryland.

Wednesday, February 8 — the sun shone and the glee club sang at Waynesboro High School minus five members, three of whom had contacted the virus. After the concert they motored to Baltimore, where at 8 p.m. the glee club presented a concert in Christ E.U.B. Church.

Thursday morning the glee club had another early start. At 6:30 they left Baltimore for Washington, D.C., and Woodrow Wilson High School, where a concert was presented in a morning assembly. The afternoon was devoted to sight seeing, although quite a few decided to curl up on the church pews (didn't they, Mary?) in the Memorial E.U.B. Church. What a bunch of troopers! Another concert was presented that evening in the church. (Pat saw Johnnie.)

Friday morning the glee club went to the Navy School of Music. After a tour of the entire school, the glee club took to the stage (but where's Dr. Thurmond?) and presented their program.

From here the glee club went to Alington, Virginia. After dinner a return visit was made to Washington, where the group toured the Library of Congress—particular attention being given to the auditorium. One comment made the audience—"Never saw such a happy glee club." There must have been a reason!!

Saturday, the last day of the tour, a weary group of musicians motored to Chambersburg where they presented a concert in the First E.U.B. Church. According to Dr. Thurmond this was the best of the fifteen concerts.

Sunday morning at 1:30 a.m. the tired but happy group returned amidst the rain (naturally) to the LVC campus.

Since the glee club has returned many complimentary letters have been pouring into the offices of Lebanon Valley. We should all be extremely proud of the glee club, the orchestra, and the fine director for such a wonderful showing while in review to the public.—Barbara Geltz

## Legionnaires And Faculty To Sponsor Basketball Game

Wheels have been put into action by the LVC Legionnaires to initiate a basketball game between the Legionnaires and the Lebanon Valley College faculty members.

The game, sponsored jointly by the faculty and the Legionnaires, will be an effort to provide a donation to the LVC building fund.

Date for this battle is set for March 19 in the Lynch Memorial Gymnasium and the cost 25c.

each, five half-tuition scholarships of \$1200 each, and twelve additional scholarships of \$600 each were offered this year.

## Conserv Notes

On February 13, a public recital was given in Engle Hall. Those who participated were: Sue Zimmerman, Ora Jane Rhoads, David Schell, Carol Kelly, Gloria Ritter, Shirley Heizmann, Nathalie Davis, Richard Powell, and Rodney Shaffer.

Now that the tour is over, the glee club is turning its attention to the opera, "The Bartered Bride," which will be presented April 17. Rehearsals began Friday, February 17, and will continue until the night before the opera.

The glee club will also sing at one of the chapel services during Religious Emphasis Week.

Coming up on the Conservatory calendar: Girl's Band Concert, Concert Band Concert, Opera, Harrisburg Forum Concert, McCaskey High School Concert, Glee Club concert at Reading.

All in all, it looks like a very busy semester for the conservatory.

The Girl's Band will present their annual concert March 13 at 8:30 p.m. in Engle Hall. Dr. James M. Thurmond conducts this group which includes: clarinets—Hazel Davis, Barbara Klinger, Ruth Miller, Sessaly Prugh, Carolyn Schairer, Sue Zimmerman, Emma Herr; oboe—Loupise Gay, Joan Napoliello; flutes—Nancy Gibson, Carol Kelly, Elizabeth Ritter, Priscilla Thomas, Roberta McBride; bassoon—Helen Epting; sax—Dorothy Grabau; tenor sax—Pat Lutz; cornets—Estelle Berger, Phyllis Homer, Gloria Ritter, Helen Sauder, Jane Hoffman, Shirley Warfel; French horn—Joan Eckenroad, Shirley Heizmann, Doris Kane, Ruth Obert; baritone—Lois Alutius, Carol Bradley, Geraldine Sheaffer, Mary Swope; trombone—Ruth Howell, Barbara Neatock, Bonnie Speck, Naomi Sprenkle, Jeanne Winter, Flora Rhen; bass—Nathalie Davis, June Lantz, Joanne Young; percussion—Ora Jane Rhoads, Linda Shirey, Fern Liskey, Beverly Weaver.

The program will include such numbers as: "St. Antoni"—chorale, "Serenade" from **The Student Prince**, and "Ballet Egyptian."

Miss Joan Conway, junior in the Conservatory of Music, was guest pianist for the Jewish Community Concert, Harrisburg, Tuesday evening, February 28. The head of this organization is Albert Morrison, on L.V.C. graduate who is a pianist himself.

Tuesday evening, March 20, the Lebanon Valley Campus will be host to the Keystone Personnel and Guidance Association. The purpose of this group is to evaluate various schools and then report of their findings to prospective students in the high schools. The Conservatory of Music will present a recital for these guests at 8 p.m. Among those participating will be: Joyce Snyder, Louise Loeper, Luke Grubb, Carol Anderson, Doris Brandt, Shirley Heizmann, and Gloria Ritter.

## REW Guest Leader, Ezra P. Young

The Reverend Ezra P. Young, guest leader for Religious Emphasis week, is a staff member of the state YMCA of Pennsylvania and he also serves as one of the Secretaries of the Middle Atlantic Region Student Christian Movement.

For eleven years Mr. Young served as a YMCA World Service representative to Turkey in the American Dershan in Istanbul. The Dershan is the American School of Languages and Commerce with which the International Committee of YMCA's cooperates. It stands in the Moslem quarter of the city between the old Turkey of mosques and minarets and the new Turkey of university lecture halls and laboratories.

With Mr. Young's help the Dershan has developed into one of the most important centers of educational and recreational life in Istanbul. The Vice Minister of Education called it "the best evening school in Istanbul." Its classes, both day and evening, draw capacity crowds, with all seats filled and standees jamming the doorways. During 1952 over a thousand students, ranging in age from 12 to 65, were registered. They came from all parts of the city and represented three religions, a dozen nationalities, and all social classes. . . . "a small United Nations." In addition, ten thousand young people use the facilities and services for meetings, discussions, conferences, concerts, games, and private instruction.

During his eleven years of service with Dershan, Mr. Young was pressed into many extra-curricular fields of service. Personal interviews took much of his time, with people of all kinds—students, workers, businessmen, and educational officers—coming to him on an average of 50 a month for guidance. During and since the war, he has served on the USO Committee in Turkey. Since the war he has also been very active on refugee committees, especially those dealing with students who have managed to escape from behind the Iron Curtain. The Dershan, in cooperation with the US Escape Program, has given language and orientation courses to student escapees, preparing them for resettlement in Turkey and in other countries. Mr. Young has also served as interpreter on a number of occasions involving refugees. For a year he was the only foreigner serving on the Istanbul United Nations Committee.

From 1930 until 1934 he served as a social and playground worker for the American Board of Congregational Churches in Adana, Turkey. Returning to the United States in 1935, for the next two and a half years he served as a student minister at the University of Wisconsin. In 1937, he and Mrs. Young made a month's study of folk schools and the cooperative movement in Denmark, cycling all over the country.

## Women's Basketball Season Gets Under Way

To continue women's basketball at Lebanon Valley College, the Dutchwomen played host to Millersville and journeyed to Elizabethtown and Albright last week. The varsity has not yet captured a winning score, but the Jay Vees have a two for four record.

In the Millersville game on Saturday, February 11, Lebanon Valley was defeated by seven points; the score was 45-38. Marie Sponsler with eight goals and seven fouls converted for a total of 23 points led the forwards. Phyllis Dasher and Naomi Sprenkle racked up ten and five points, respectively. Hitting the win column for the first time this year, the L. V. Jay Vees overpowered their M. S. T. C. opponents 50-38. Co-captains Marion Brooks and Ruth Howell scored 35 points for Lebanon Valley, while Mary Beaver and Doris White completed the scoring.

Boasting a 24-point margin, the Elizabethtown six on their own court upset Lebanon Valley 69-45. Kay Barron paced the home team with 28 counters. Second place scoring honors go to Marie Sponsler for L. V. with 22. For E-town Rachel Keller and Kitty Sweigart tallied 18 and 17 points. In a second game the Bluejays walked off with the Lebanon Valley Jay Vees 42-12.

"It was a close one, but we just could not capture it in time," might have been heard in the locker room following the February 18 game in Reading. The Lionesses eked out a 43-42 victory over the Dutchwomen. The high for the Valley was 23 tallies by Naomi Sprenkle; Sponsler had 17 and Jeanne Winter two. For Albright the scoring was Grove 26, Appleman 13, and Orr four. The L. V. Jay Vees trounced the home team 46-27. Mary Beaver starred with 24 points and Charlotte Long contributed 13.

Three games remain on the women's sports calendar: Moravian, Millersville, and Elizabethtown. The latter game will be played on the home court. All are Saturday games.

And then came Moravian. . . The Dutchwomen handed their hostesses a 54 to 47 loss; starting, we hope, a long winning streak. "D. P." Sponsler led the spirited attack with 30 points; followed by "Lay-'em-up" Sprenkle with thirteen; and "Now-you-see-her-now-you-don't" Dasher, with six. The Greyhounds were held back by "rebound" Meyers, "Jump-it-up" Reynolds, "No points" Barbor, and "Fox" Young. The score, at the  $\frac{3}{4}$  mark, was 36 to 36—not wishing a repeat of the Albright game, the forwards pulled up a fast led and kept it, or most of it, until the final buzzer sounded.

The J. V.'s pulled away from a five to two half-time lead to a fifteen to ten win, their third of the season. Ruth Howell got forward honors of the day with six points; Louise Gay was voted most valuable guard.

## Valley Routs Upsala With Fast Break 87-59

The Flying Dutchmen gathered in their thirty-ninth consecutive home win on Thursday, February 16, as they outplayed a quintet of Vikings from Upsala College 87-59 in the Lynch Memorial Gym.

The Valley started off with an early lead which was never headed. Just before the half, Upsala pulled to within nine but nine straight counters by the Dutchmen brought the score to a comfortable 45-27.

Don Reinhard, Bob Kerstetter, and Bob Nelson cleared the boards for the Dutchmen while Gerry Steger hit from the outside and Nelson scored on drive-ins. Reinhard was especially effective on tap-ins.

Nelson led all scorers with 21 points closely followed by Steger with 19. Reinhard and Dick Shover each had ten. Joe Gasparini led the visiting Vikings' attack with 14 points.

The Valley used a fast break repeatedly, coupled with an outstanding zone defense to completely befuddle the Upsala outfit.

LVC also took the preliminary game in stride as they ran the score to 72-53 over the Viking JV's. Bill Kristich with 16 led the Valley effort. Aubrey Kerschner's 15 and Ted Pound's 12 also helped the winning cause.

## Valley Easily Downs Wilkes By 88-62 Score

Lebanon Valley College, playing a steady floor game, ran away from Wilkes College, 88-62, on Thursday, February 9, in the Lynch Memorial Gym.

Jack Peepe had one of his best games of the year as he poured in 24 points to lead the Dutchmen scoring. Bob Nelson, weaving through the Wilkes defense, garnered 18 points, followed by Gerry Steger with 14.

The Valley started off slow but by the end of the first half found themselves on the long end of a 34-26 count. Don Reinhard and Nelson cleared the boards for the Dutchmen with 34 rebounds between them.

After the second half started, Wilkes was no longer in the game as the Valley took complete charge and at one time led by as much as 30 points.

Coach Marquette substituted freely during the last part of the game giving the future LVC varsity much valuable experience.

In the preliminary game the fans got a chance to see some of the stars of the fast Intramural League as they handily defeated the Penn State Center outfit from York 67-46.

Dale Shellenberger with 14 and Charlie Zettlemoyer with 13 led the Valley All-Stars to the first win.

## Revenge Sweet In LVC-Moravian Thriller

Co-captains Gerry Steger and Dick Shover teamed up Saturday, February 11, to give the Lebanon Valley Dutchmen a 79-78 win over Moravian to run the consecutive home court winning streak to 38 games.

The game went into two overtime periods before Steger banked in a ten foot jump shot with four seconds remaining to be played to give the home team the verdict. Steger came within one point of the 20-a-game magic circle with 19.

Shover led the Valley scoring parade with 25 markers which he collected on jump shots and drive-ins.

Don Reinhard hit for 12 points, the most important being the team's 64th and 65th which threw the game into the first overtime. His rebounding was also very good.

Jack Peepe dropped in two important fouls to knot the count at 73-73 at the end the first extra period. Peepe garnered 11 counters on two field goals and seven foul shots.

The Flying Dutchmen trailed the Greyhounds 60-65 with two and a half minutes remaining, but a half-court press broke up Moravian's attempted freeze and five quick points forced the game into overtime.

Bobby Nelson dropped in six field goals for a total of 12 points; mostly gathered in the first half.

Bob Kerstetter, 6'3" freshman from Shamokin, worked in well as an extra "big" man and although he was not able to enter the scoring column, he hustled all the way (which is beginning to be a rarity among the LVC courtmen) and showed good promise as a rebounding ballhawk.

## Intramural League

With only a few weeks left in the season, Troc and the Vets are setting the pace with identical records of seven wins and one loss. The Vets dropped their only game to Troc while Troc was bested only by a fourth place Kalo.

Tom Garda of Troc and Dale Shellenberger of the Vets are also tied for individual high scorer in the intramural basketball league with 10.5 points per game. Hen Douglass, Vets, 9.7, Gene Adams, Knights, 9, Charlie Zettlemoyer, Kalo, 8.9 round out the top five.

Kalo boasts of the highest game score of 66 scored against Philo and also the highest individual score of 23 tallied by Tom Reinhart in the same game. Figures are through Feb. 25.

### LOU SIGNS CONTRACT

Louis Sorrentino, class of 1954, recently has signed a contract with the Philadelphia Eagles football team, it was announced. Lou was a very successful football player while at Lebanon Valley College.

## Diplomats Fall Victim As Valley Garners 40th Straight Home Game

The Flying Dutchmen of Lebanon Valley College won their fortieth consecutive home game as the jinx of the Lynch Memorial Gym held sway over the Diplomats from Franklin and Marshall Saturday, February 25, giving the Valley a 72-60 decision.

Jack Peepe, Sophomore guard from Pine Grove, hit his high of the year as he poured in 31 points on an assortment of hook shots, one hand stabs, and drive-ins plus nine foul conversions. Gerry Steger was second high for the Valley with 18 counters. Jack Zeigler led the Diplomat attack with 20 points.

The Dutchmen took an early lead and built it up to 40-28 at the half. Bob Nelson and Don Reinhard controlled both boards capably with good ball handling and a good shooting percentage prevailing.

Halfway through the second half F&M staged a rally which brought them to within two points, but once again the Valley bore down and stretched the lead to twelve points.

For the home-winning Lebanon Valley quintet it was win number twelve, eleven on which came on the home floor, in nineteen games.

In the preliminary tilt the high-flying Valley JV's took a thrilling 62-60 victory over the Franklin and Marshall subs.

The Valley scored ten points in the

## Dutchmen Pull Near Upset As Temple Takes 72-68 Tilt

A fighting band of Flying Dutchmen pushed the nationally-ranked Temple Owls to the limits Monday, February 20, as co-captains Dick Shover and Gerry Steger poured in 25 and 24 points respectively before the Valley submitted to a 72-68 defeat at Temple's South Hall.

For Shover it was a new record—the most points ever scored by a visiting player on the South Hall floor. Steger also passed the old record of 22 set in 1952.

An inspired Valley quintet completely outplayed the highly-favored Owls throughout most of the first half. At one time the Dutchmen built up a lead of 22-14, but a late spurt by Temple gave them a 40-32 advantage at the half.

Shortly after the second half started, Temple held a lead of 56-41, but the Valley slowly crept back to within four with only a few minutes remaining. At this point the Owls started playing a possession brand of ball giving them the hard-earned victory.

Jack Peepe was the only other Dutchman to score with any consistency as he contributed ten points.

Guy Rodgers was the sparkplug for Temple, tallying 24 points and teaming with Hal Lear, who garnered 18, to employ their deadly fast break.

last 90 seconds to turn an apparent defeat into victory.

## Soccer on Intramural Basis For Next Year; Support Urged

The fate of soccer as a part of the athletic program at Lebanon Valley College will be decided next fall. The Athletic Council recommended that soccer be tried for one year on an intramural basis.

Three teams of eleven members each are necessary before soccer can be put into the intramural program at LVC; therefore, it is entirely up to the students as to whether or not the game of soccer will remain.

Mr. McCracken, Director of Athletics, reports that Dr. Miller is pleased with the progress being made with soccer and urges that students be informed of the past, present, and future concerning soccer at Lebanon Valley.

Last fall a group of students, under the direction of Dick Stowe and Renato Perez, held daily practice sessions with the immediate aim of having fun and the ultimate aim of having soccer as an inter-collegiate sport.

The cooperation, enthusiasm, and com-

petitive spirit culminated in a 1-1 tie with Ursinus College. Stowe reports that Lebanon Valley has the nucleus of a good soccer team with many of the boys showing a marked improvement at the end of this past season.

Everything is set for the birth of a brand-new inter-collegiate sport here on campus. There is only one thing missing—players. Although there are some true soccer devotees who are genuinely interesting in the game, are there enough?

It was the interest of the students which gave soccer its foothold in the athletic program of the college and it is the interest of the students which will make soccer a permanent fixture at the Valley.

### April Showers Dance As Leap-Year Feature

Girls—grab an umbrella, a guy and come out on Friday, Apr. 6, to have some fun and surprises at the "April Showers" Dance to be held in the Lynch Memorial gymnasium starting at 8:30 p.m. The proceeds from the dance will be used to start a fund for a Student Lounge with the purpose of improving social life on campus. Organizations have been contacted to contribute to this worthy project to start the ball rolling.

This project not only needs "faith, hope and charity," but concrete action on the part of the student-body. To rely on the administration alone for action might take years. This is an excellent chance for "grippers" to get out and help boost this project. Show student interest by student push and participation.

Since this is a leap year dance the girls have a lot of hustling to do to make the dance a success. It's only once every four years that they have the chance to take the upper hand and do the asking. Who knows, Bridie Murphy might even be there.

Johnny Leffler and his band will provide musical entertainment for dancing. The cost is \$1.50 per couple.

#### ART EXHIBIT

During the month of April the bookstore will be the display case for art work of any sort and kind. Students of the college are requested if they have any form of art work and wish to display it may do so. Bring it along back when you return from your Easter vacation.

### Phi Alpha Epsilon, Honorary Society, To Hold Banquet At Green Terrace

Phi Alpha Epsilon, honorary society on campus, was established in 1935 for senior students who attain high moral character and have maintained an average of 88 or better for the first three and one-half years of their college career.

Next to the celebration of Christmas, no other celebration is so inspiring as that of Easter, commemorating the Resurrection of Christ, and it is so apt to be celebrated when all Nature has its awakening to newness of life. Symbolic is the beautiful white Easter lily.

There had to be a Resurrection to fulfill the promise of prophecy and to give emphasis to the inspired message of Christ's ministry among men as to eternal life. There were skeptics among His followers who found it difficult to believe that Christ had risen from the dead, but when He showed them the wounds in His hands and feet, they believed. . . .

Easter is a challenge to the faith of us all. It should be a time of renewal of this faith. Everything during this springtime is an example of renewal. There is continuity in nature. It should be attached to our faith as well. Easter flashes its light about us and gives to us a new vision of hope and confidence.

Had the Resurrection taken place in our day, the newspapers would have flashed around the world those familiar words: "Christ is risen!" Those words are just as meaningful today. There is assurance to them. Just the same as there is assurance that the bare trees of winter will be transformed in the springtime with the beautiful foliage of former years and the lilies with their perfect blooms.

The message of Easter is one of immortality. There is a purpose to everything.

This year's membership consists of the following seniors. Edward John Billingham, Jr., a senior chemistry major; David John Farling, an economics and business major, business manager of *La Vie*, vice-president of Pi Gamma Mu and Men's Day Student Congress; Mrs. June Elizabeth Markley, an English major; Mildred Irene Urian, an English major, and serving on the Resident Women's Student Government Association and in the cabinet of the Student Christian Association; and Charles L. Zettlemoyer, a political science major and president of the Political Science Club.

The above named seniors (five in number) will be the guests at the annual Phi Alpha Epsilon banquet to be held this year at the new dining room of the Green Terrace, east of Annville, on Thursday, April 26, at 6 p.m.

Engaged for the evening's speaking is Dr. Elias H. Phillips, associate professor of English, from Franklin and Marshall College, Lancaster.

## What About Student-Faculty?

Have you ever seen this announcement on the bulletin board in the administration building? What does it mean? What is Student-Faculty?

### STUDENT-FACULTY COUNCIL MEETING TONIGHT

Meeting every other week, Student-Faculty is a council composed of representatives of every recognized extra-curricular organization at Lebanon Valley College.

Student-Faculty has been in existence for several years, but about 1949 its constitution was revised in order to strengthen the organization and make it a more effective body. This improvement in Student-Faculty Council was largely due to the work of Raymond ("Tiny") Kline, class of 1950. A basketball star, "Tiny" resigned from the varsity team to devote more time to improving Student-Faculty. He believed that a strong president, an individual with prestige and interest, was vital to the success of the council.

That year the group was really an active one, but in the intervening years Student-Faculty has had its ups and downs. It has come to be considered a coordinating council rather than a governing body. Student-Faculty has endeavored to coordinate the work of the four governing bodies on campus, Men's Senate, Jiggerboard, Women's Commuter Council, and Men's Day Student Congress. However, Student-Faculty does not only coordinate the four governing bodies, but **all** student organizations on the campus.

What projects could this organization have for its future to be a progressive organization and a strong body? It is suggested that Student-Faculty could settle differences between social societies and be concerned with difficulties of more than one organization. Another suggestion is Student-Faculty could have jurisdiction over the disbursement of the student activity fee. This would require a strict budget of the organizations.

A point system for recognizing awards could be set up by Student-Faculty members for distribution among talented students on campus. And as a final suggestion, Student-Faculty could entertain leaders and students of surrounding college campuses.

Cooperative spirit and interest of the entire student body as well as of Student-Faculty Council members is absolutely necessary if the council is to achieve any or all the above named suggestions. **La Vie** urges you to participate in Student-Faculty through your organization representative. All complaints about college functions as well as ideas for improvement should be given to Student-Faculty officers or representatives for discussion.

## SHOVER MAKES GRAND APPEARANCE AT STUDENT-FACULTY MEETING

After missing skeighty-eight consecutive meetings and facing possible extinction from LVC campus by Student-Faculty Council, Dick Shover, Green Blotter representative and head scop, made a dramatic appearance at the Student-Faculty Meeting, Monday, March 12. In making his first appearance of the new year Shover also styled the new fashion in Indian moccasin wear, appropriate for snowy weather—they are snow track proof. Although Shover gallantly managed to uphold Green Blotter's rights as a functioning campus organization, the President of Student-Faculty Council failed to present himself at the meeting, and after waiting the traditional 10 minutes Shover took off with Myron Coznofski for the lands of the Great White Father. Green Blotter seems to be on record as existing in the Student-Faculty organization since no one challenged its existence. See you at the next meeting, Shover!

Constance P. Dent and Dean of Men Theodore D. Keller, in proposing that Student-Faculty meetings be utilized for discussions of problems that are mutual to various groups rather than for problems that pertain only to one club and can be settled therein.

## Chem Club Tours Organic Dept. At Deepwater, N. J.

Twenty-seven Chemistry major students toured the Chambers Works at the E. I. duPont deNemours Co., organic chemicals department at Deepwater, N.J., March 16. The purpose of the visit was to broaden the knowledge of students and increase their application of this branch of chemistry. Dr. Neidig, Mr. Kline, and Mr. Neithamer accompanied the group.

Talks were presented to the group on azo dyes and later the actual production of dyes was observed on a tour of the dyes plant. The dyes plant at the Chambers Works produces any color in the spectrum; much of the dye used in ball-point pen ink comes from this plant. These dyes are also used for dyeing of various man-made fibers, printing inks, paints, paper and other varied products.

Before lunch a tour of the sulfuric acid plant was made. This was of special interest since actual production was observed of the theory studied in classes in making sulfuric acid by the contact process.

While touring the various plants the group was ordered to wear provided crash helmets and plastic goggles for protection in case something "blew up." DuPont has one of the finest safety records in the chemical industry, and the Chambers Works at Deepwater, N.J., has one of the best safety records among the variety of the best safety records among the variety. The guide mentioned that it was safer to work at their plant than it was to be on the streets or at home.

During the afternoon a tour of the technical laboratory showed the technical service and process development of various Dupont products. Various laboratories in this building study the color problems in the textile, leather, paper, lake and other consuming industries. This includes tests such as the fastness of dyes, the strength of various fibers and other varied phases of color application.

A bus tour of the one mile square production area ended the tour. An example of automation was seen whereby three men at control panels handled the production of Hylene, a new elastic type compound, by remote control. This plant covers an area approximately equal to the size of LVC campus and the product is not handled by any manpower throughout its production.

Every effort was made by the Dupont personnel department to make the visit interesting and comfortable. With this sincere planning the trip to DuPont became one of the highlights of the Chem Club activities for the last 5 or 6 years.

## Charles Seller Appointed Director

News bulletins frequently go out from the college through what is commonly known as the Public Relations Office. Recently a new director was appointed to the office to replace James W. Parsons, who accepted a civil service appointment as publications editor with the United States Air Force.

The new director for the office is Charles Seller, a Dickinson graduate from Bloomfield, New Jersey.

Working a year between high school and college years Charlie agrees that Lebanon Valley is the same type of college from which he graduated. In almost the same breath he told a reporter that he is anxious to meet faculty and students.

Charlie has found interests in reading, camping, hiking, and enjoys good music as well as having a great ambition filled in writing of any sort. Crossword puzzles and dogs are other past-times for this young Dickinson graduate. Another found interest is in a girl he met while at college and whom he plans to marry this coming June.

Seller resides in Lebanon.

## "Harvey" Helps Make Kalo-Delphian Weekend Successful

Kappa Lambda Sigma and Delta Lambda Sigma enjoyed a very successful weekend, March 16-17, featuring "Harvey" Friday night, and the annual dinner-dance held at the Reading Country Club on Saturday night.

"Harvey," for its length, was presented very ably by the cast. The play was all about a big white rabbit and the people who saw him, or thought they did. Much credit for the play's success is due to Mr. Samuel Bradley, who worked hard in directing the play.

On Saturday evening LVC campus emptied itself to the Kalo-Delphian Dinner-Dance at the Reading Country Club. Highlighting the evening's activities was the crowning of Clair L. Kelly, II, and Naomi Sprenkle as King and Queen, respectively. Chaperones for the evening included Mr. and Mrs. Donald Fields, Mr. and Mrs. Ralph Shay, Mr. and Mrs. George Marquette, and, of course, Harvey.

### Wig and Buckle News

Wig and Buckle presented "The Twelve-Pound Look" in conjunction with the Shakespeare class's plays, "Taming of the Shrew" and "Midsummer Night's Dream," Friday night, February 24, in Engle Hall. This is an annual undertaking of the organization which helps to provide entertainment for scholarship weekend.

### MAY QUEEN—Cont. from p. 1

Science Club, Wig and Buckle, W.A.A., and the hockey team. She is one of nine seniors representing LVC in **Who's Who Among Students in American Colleges and Universities**.

Shirley Warfel is a music education major whose home is Quarryville. A cornet player in the Girls' Band, she is also active in FTA, W.A.A. and Kappa Lambda Nu.

The wife of an LVC alumnus (Donald DeBenedett '54), Jackie DeBenedett is a sociology major who lives in Lebanon. In 1953, as Jackie Fetterhoff, she reigned as LVC Football Queen. On campus she is president of the Women's Commuter Council and is a member of Kappa Lambda Nu. She is also listed in **Who's Who Among Students in American Colleges and Universities** this year.

Shirley Heizmann, whose home is in Langhorne, is a music education major. Last year Shirley served as secretary of her class and as girls' sports editor of the **Quittie**. She belongs to Delta Lambda Sigma, the hockey team, and plays the French horn in the Girls' Band. Recently she appeared in the K-D play, "Harvey."

Cynthia Patton, soprano soloist, is a music education major from Harrisburg. On campus she is active in FTA and Delta Lambda Sigma. She was the LVC Football Queen in 1952.

President of Jiggerboard, Gloria Ritter is a music education major from Sinking Spring. She is active in Delta Lambda Sigma and in W.A.A. She plays the cornet in the Girls' Band and in the Brass Ensemble and belongs to the Chorus. Gloria is also among the nine LVC seniors elected for **Who's Who Among Students in American Colleges and Universities** for 1955-56.

Naomi Sprenkle, another music education major, is from North East, Maryland. In the Girls' Band she plays the trombone. She belongs to Delta Lambda Sigma, W.A.A., and the girls' basketball team.

Jean Wolf, wife of George Wolf '56, is a foreign language major from East Orange, New Jersey. She belongs to Kappa Lambda Nu and the French Club.

## Girls' Basketball Team Ends Season With One Win, Five Losses

Girls' Varsity basketball ended its 1956 season with two losses—50 to 36 to Millersville and 56 to 39 to Elizabethtown. The E-town game had its thrills for the first half, for L. V. was leading 9-7 at the end of the first quarter and was tied 20-all at the half. The second half proved their Waterloo, however. Thus endeth a rather disappointing season—one win and five losses. Here's hoping that next year the girls have something on the ball!

Marie Sponsler was high scorer for the season, averaging 18 points per game; Naomi Sprenkle followed with 14.9, and Phyl Dasher with 11. Special credit goes to the guards who played consistently well all season—Rachel Meyers, Arlene Reynolds, Jo Young, Peggy Barbour, and Jeanne Winter.

The J.V.'s beat Millersville with Mary Beaver's foul shot, 31-30. They dropped their final game to E-town 57 to 26, thus setting a season record of four wins with three losses. Marion Brooks led the scoring for the year with 9 points per game.

Next year with the loss of Naomi Sprenkle and Rachel Meyers, the girls will have to work harder and show even more improvement and spirit if they are to compensate for the gap left by this valuable twosome.

Here's to a better year and more time at Shartlesville! (urp)

"Texan" Jeanne Winter has one more opponent to overcome before being declared the girls' badminton champion. Rolling into the finals, she upset "Slammer" Jo Young and now meets "Shortie" Marilyn Hafer. Can she defeat her, too?

Because of inclement weather, the W. A.A. swimming party was limited to Tuesday, March 20. On that evening the girls journeyed to the Lebanon Y.M.C.A. pool.

Strength in th outfield and a weakness

## Basketball Roundup

The 1955-56 Lebanon Valley College basketball squad wound up their season with a record of thirteen wins and eight losses. The team averaged 75.1 points a game and allowed 73.1.

Senior co-captain Gerry Steger and junior Bob Nelson led the Dutchmen with identical 16.2 points per game. In total points, however, Steger edged Nelson 342 to 341. The other co-captain, Dick Shover, followed with 13.5; Jack Peepe with 12.4, and Don Reinhard with 7.7 round out the top five.

Jack Peepe was top man in field goals made with a 47.6 average closely followed by Nelson with 47.5. Steger led the three throw department as he racked up a 75.0 average.

Reinhard and Nelson were big men in the field of rebounding as they grabbed 13.4 and 12.3 respectively.

on the mound are the characteristics of the prospects for the coming season. In the gardens Marquette will have the same group which has patrolled that area for the last two years. Ross Plasterer, Larry Bennetch, and Dick Shover will be back in starting posts with Dale Shellenberger a proven substitute.

Tom Reinhart will be behind the plate again with John Ollinger and Howie Sellers in reserve.

The infield, with the exception of last year's captain, Ross Fasick, who graduated, will be intact with Bill Shadler at first base, Glen Thomas at third, and Pete McEvoy working between second and short.

Only one returning pitcher, Bill Wenrich, is a problem for the Dutchmen mentor. Thomas may see mound work as may Bob Nelson, a shifted infielder. Bill DeLiberty will probably see action while Vince Martinicchio, Jim Steffy, and Art Ford will be awaitng a chance to show their stuff.

The 1956 baseball schedule follows:

Apr. 7—Susquehanna	Home

## Sparse Track Team Working Out Daily For Coming Season

Six veterans form the nucleus for Coach Ellis McCracken's Lebanon Valley College track squad. Twenty-three men have been practicing regularly since Mar. 3, in anticipation of their first meet with Franklin and Marshall here on April 10.

Eight varsity meets are scheduled for the approaching season plus a Freshmen meet with Stevens Trade and the Penn Relays at Philadelphia for individual members only also planned.

The six returnees and several Freshmen candidates give Coach McCracken now in his second year at the helm, hopes for a successful season in this, the third year of track since it was revised at LVC. All interested in track are invited to come out.

Gerry Steger, high jumper, and Ken Schuler, middle distance specialist, are co-captains for the 1956 cindermen.

Aubrey Kershner, dash and hurdles man, Gene Pietreniak and Ron Weiner, weight men, and Dale Sheaffer, who tosses the javelin round out the veterans. Team manager will be transfer Dick Stowe, who is ineligible to participate.

Additional aspirants are: Mike Cupina, Carl Radcliffe, Vik Roeske, Ken Swisher, Gary Eppley, Jim Laverty, Dick Leight Bob Longenecker, Al Edwards, Wally Rich, Larry Sass, Bob Walker, and Charlie Wernert.

The LVC track schedule for 1956:

Apr. 10—Franklin & Marshall	Home
Apr. 21—Millersville	Home
Apr. 24—Albright	Away
Apr. 27, 28—Penn Relays	Phila.
May 2—PMC	Away
May 5—Stevens Trade	Away
May 8—Ursinus	Away
May 11, 12—Middle Atlantic	Albright
May 16—Dickinson-Gettysburg	Away
May 19—Juniata	Home

## LVC Participates In Science Program In Chemistry

By Lynn M. Sparks

Dr. Raymond E. Kirk, Dean of Graduate School of the Brooklyn Polytechnic Institute, will visit Lebanon Valley College, April 23-24 as a visiting scientist to help strengthen and stimulate the activities of the college chemistry department. Visiting scientists will provide the chemistry staff and major students in small colleges, like Lebanon Valley, the opportunity of contacts with productive and creative chemists, and will aid in the motivation of able college students for careers in chemistry and the teaching of chemistry.

Dean Kirk will address high school science teachers, college science teachers and representatives from industry, Monday, April 23, in Philo Hall at 8 p.m.; his subject will be "Training of Students for a Career in Science." Students interested in science education are invited to attend. Lebanon Valley students will have a chance to meet Dean Kirk when he speaks in Chapel Tuesday morning, April 24, on "Science and Our Culture." The final program will be held in Philo Hall, Tuesday evening at 7:30 where he will talk on "Science as a Career." This meeting is scheduled especially for all college students interested in a science career.

Raymond Eller Kirk was born on a Nebraska farm in 1890, of Scotch-Irish lineage. He received the degree of Bachelor of Science, with major in chemistry, at the University of Nebraska in 1915. He later received the degrees of Master of Science from Iowa State College and of Doctor of Philosophy from Cornell University, where he was Grasselli Fellow in Chemistry. Since then he has served in many capacities in the American Chemical Society and other noted groups, and has contributed to scientific and professional journals. In 1954 he was the winner of the Award in Chemical Education of the American Chemical Society.

The visiting scientists program in chemistry is sponsored by the Committee on Institutes and Conferences of the American Chemical Society Division of Chemical Education.

## Societies Entertain

Eighteen girls from Clio and Delphian societies entertained the women of the Auxiliary with a fashion show at their April meeting on Thursday, April 12. Spring fashions were featured.

Members of the Clio sold tickets at the Lebanon County Home and Builders Show held recently at the Sunset Market north of Lebanon.

## Conservatory Presents "The Bartered Bride"

By Barbara Geltz

Tonight and tomorrow night, April 20 and 21, the Lebanon Valley College Glee Club will present their contribution to the annual Spring Music Festival in the form of a comic opera in three acts. The opera, "The Bartered Bride," by Bedrich Smetana, contains a very interesting plot of which I will tell you, but one must come to Engle Hall either tonight and tomorrow night to hear the beautiful melodies which Smetana wrote.

### The Story

It is Feast-day in a Bohemian village ... the day that Kezal (scheming and ruthless Don Griffith), the marriage-broker, has chosen for the meeting of the Krushina and Micha families. The object of this meeting is to arrange a marriage between Marie (dramatic Charlotte Pier-son), the daughter of the peasant Krushina (Bernie Rightmeyer) and Ludmila (Sally Miller), and Vashek (Cy Dietrich), the son of Micha (Don Hale) the wealthy landowner. Marie, however, loves Jenik (our own Tatsuo Hoshina), a youth but recently employed in the village. He returns her love, but feels that he must not disclose his identity.

Kezal, knowing that Micha will pay him handsomely for the transaction, is forcing the match favoring the simple Vashek. He approaches Jenik with the offer of another bride and three hundred gold pieces. Jenik accepts the proffered sum, but only on condition that Marie will be given in marriage to no other excepting Michas' son. The marriage-broker readily agrees to the terms proposed and the contract is signed.

Marie, heartbroken at her lover's perfidy, is finally prevailed upon to consent to wed Vashek ... the parents and villagers are summoned to witness the betrothal ... when Jenik steps forth and Micha recognizes him the son who left home because of his quarrelsome step-mother.

As Micha's son, Jenik claims the right to the hand of the lovely Marie. Hata (cruel Anna Lou Fisher), the step-mother, insists that the original plan be followed, but when Vashek appears in the disguise of a bear (he had been substituting for a tipling member of a troupe of strolling players) Kezal himself realizes his failure at match-making and Micha bestows his blessings upon Marie and Jenik.

Charles Brightbill, as the Principal Comedian, Doris Kane, as Esmeralda, and John Yorty, as the Indian complete the cast.

### The Villagers

The villagers are:

Sopranos—Cynthia Patton, Shirley Warfel, Margaret Martin, Elin Blouch,

## "Peace Of Earth" May Day, 1956

By Lanta A. Sholley

Theme for May Day 1956 is "Peace Of Earth," written by Green Blotter Club members. Using the planets as a backdrop music and dancing converge to bring the splendor of the May Day performance, climaxed by the inevitable May Pole Dance.

The entire production is under the supervision of student coordinators Georgianne Funk and Joan Napoliello, advised by Miss Betty Jane Bowman of the faculty.

Music, choreographers, and dance directors for the planet dances are as follows: Mercury, "Perpetuum Mobile" and Ruth Howell as the director. For Venus "One Touch of Venus" and Joan Napoliello.

## Pi Gamma Mu Visits Washington, D.C.

Monday morning about the time the sun was beginning to make itself appear in the Lebanon Valley Carole Fox, Kathy Dotts, Ray Lee Kunkel, Roy Boush, Charles Zettlemoyer, David Farling, Ronald Lehman, Richard Yoder, (all members of Pi Gamma Mu) and Mr. Robert C. Riley, adviser to the society left the Lebanon Valley area and headed for Washington, D. C.

Arriving in the nation's capital a few hours later the group took a tour of the capital building and through Representative Walter M. Mumma, Pennsylvania, lunch and "Cinerama Holiday" became a part of the trip.

Staying for two days (they stayed in the Continental Hotel) the tour included seeing the F.B.I. Building, Smithsonian Institute, the Engraving Building, the Treasury Building, Lincoln and Washington Memorials, and the tomb of the Unknown Soldier in the Arlington Cemetery.

Wednesday, according to Carole Fox, the group was accounted for back in the Lebanon Valley.

## Irene Urian Recipient Of Gift Membership

Mildred Irene Urian has been selected by the Pennsylvania Division of the American Association of University Women as the recipient of a gift membership recently. The presentation took place at the April meeting of the Annville Branch of the A.A.U.W. and the presentation was made by Constance P. Dent, Dean of Women, Lebanon Valley College.

Miss Urian, a constant Dean's List student from Folsom, is vice president of Jiggerboard. She is active in the Student Christian Association, Pi Gamma Mu, Woman's Athletic Association, Clio, and Future Teachers of America.

Miss Urian is contemplating graduate work next year.

## Chorus Presents "Stabat Mater"

This year's contribution of the chorus towards the Music Festival was the presentation of Dvorak's *Stabat Mater*, which translated is "The Tragedy of Calvary." The cantata was presented Thursday evening, April 20, at 8:30 P.M., in Engle Hall. Mr. Reynaldo Rovers, professor of voice, was the director and the soloists were: Sally Ann Miller, soprano; Anna Lou Fisher, Alto; Walter Frederick, tenor; and David Smith, bass. Both Mr. Frederick and Mr. Smith are New York soloists. The chorus consisted of approximately 150 students from the college and conservatory.

The Lebanon Valley College Concert Band will present their Spring Concert Thursday evening, May 10, at 8 P.M.

## Conservatory Initiates Woodwind Festival

Tuesday evening, May 8, in Engle Hall is a must for everyone on campus! This will be "woe be to pianists night" or the Woodwind Festival. Although this will be an innovation on the music scene at Lebanon Valley College, it nevertheless is hoped that such a festival will become an annual affair and will become as much traditional as the Music Festival. Usually the only ones who have the opportunity to perform as soloists with an orchestra are pianists, violinists, etc., but now the woodwinds are going to have this chance. Since it is seldom that woodwinds get a chance to perform such literature, much scouring over the country was necessary to obtain the literature for the program. However, a very well rounded and interesting group of numbers has been attained and a very enjoyable as well as educational evening is in store for all who attend.

The program is as follows:

1. Mozart Bassoon Concerto  
Renato Perez
2. Night Soliloquy for Flute and

Strings by Kent Kenan  
Louise Loeper

3. Cimarosa Concerto for Oboe  
The Winter's Past  
Tom Silliman
4. Griffiths Poem for Flute and Strings  
Dorothy Grabau
5. Glazounov Concerto for Saxophone  
Patricia Lutz
6. Rapsodie for Clarinet and Orchestra  
tra

Harold Weitzel

Mr. Frank Stachow (as everyone about campus knows) is our woodwind professor in charge of this very different institution.

Mr. Thomas Lanese will direct the symphony orchestra which will furnish the accompaniment for the woodwind instruments. It is hoped that much interest will be taken in this program and that in future years the Woodwind Festival will become a yearly competitive program on the Lebanon Valley College campus.

You Woodwind majors better start practicing!

## CAMPUS BRIEFS

Hershey Chocolate Corporation welcomed twelve chemistry students and Professor James Kline, from Lebanon Valley College Chem Club, to a tour of their plant and laboratory facilities, Apr. 12. Operations in making chocolate liquor used for Hershey products were extensively viewed. Upon completion of the plant tour laboratory operations and procedures were explained and discussed by Mr. Meyer, head chemist, and his assistants.

Approximately 50 students from the Economics Department visited the Federal Reserve Bank in Philadelphia, recently. Upon arrival at the Federal Bank the students were welcomed by Mr. Aff, Assistant Cashier, and then briefed on the activities for the remainder of the day. In the morning a tour took the students through the bank and its various departments. A brief flannel-board presentation was given by Mr. Aff on the functions and policies of the Federal Reserve Bank.

\* \* \* \*

Apropos April showers welcomed the April Showers Dance held recently to raise funds for a student lounge. Despite the wet weather many people turned out to help make the dance a booming success. Highlighting the evening's activities was the crowning of the King and Queen Professors, chosen by student votes—King Richard Neithamer and Queen Maud Laughlin. This dance was a good, positive beginning for the start of a student lounge—don't stop with this—more must be done!

### "PEACE OF EARTH"

Cont. from p. 1, col. 2

ello and Marie Meyer direct the sketch. On Earth "Mambo ang" sets the tempo and the dance is capably directed by Bruce Thompson.

Moving on to Mars, the next planet-dance, the music is "Loyal Comrades" and directing is Marion Brooks, Mary Beaver, and Doris White. Saturn's music is "Blue Violins" and the dance is directed by Joan Napoliello and Marie Meyer. For Uranus Beethoven's Contra Dance No. 1 sets the music. Phyllis Dasher and Sandra Weit are the directors. Final planet on the program is Neptune with "Sand and Sea" for the music. Peggy Barbour, Rosalyn Rodgers, and Vernica Evans are the directors.

With the pageant represented as above together with the color and splendor of the May Queen, Kathy Dotts, Maid of Honor, Shirley Warfel, and the court, Jacequelyn DeBenedett, Shirley Heizmann, Cynthia Patton, Gloria Ritter, Naomi Sprenkle, and Jean Lowery Wolf, the May Pole Dance, the Concert Band with its repertoire of music for the occasion, May Day 1956 looks forward to being a success.

## Two Seniors Admitted To Green Blotter Club

Sandra Nelson and John Weurtz, both seniors, were recently admitted to the Green Blotter Club of Lebanon Valley College. Miss Nelson was accepted on the basis of two short studies in psychological behavior. Mr. Weurtz was accepted for his work analyzing the actions and emotions of men in the service as they attempt to aid one of their "buddies" against extended military discipline.

Miss Nelson has already delivered her initiation work while Mr. Weurtz will present his at the next meeting of the club.

In the last meeting of the literary group work was completed on the May Day narrative and discussion carried on concerning plans for a literary magazine next year.

## Foreign Students To Visit LVC Campus

Foreign students attending college at Albright, Elizabethtown, F & M, Dickinson, and Millersville State Teachers will be guests at Lebanon Valley College this weekend, to participate in activities sponsored by the Student Christian Association. Communication with these visiting students representing Germany, Korea, Greece, Ireland, Latvia, Spain, Japan, Hawaii, and Sierra Leone, will help Lebanon Valley students realize the problems and needs in other countries. This is also a chance to find out more about the World Service Fund—part of the Campus Chest money collected from students is sent to this organization to give aid to foreign students who wish to study in the United States.

Starting at 4 p.m. in Delphian Hall a reception will be held Saturday, April 21, where a chance will be given to get acquainted with the guest students. Discussion starts off Sunday morning — Delphian Hall at 9. Afterwards, students may attend the church of their own choosing. A farewell service for the student guests is scheduled as the final activity at 2 p.m., Sunday afternoon at Delphian Hall. Everyone is invited to these programs—bid welcome to our friends.

### FAREWELL!

The permanent-temporary Washington Hall at long last bids farewell to LVC campus. During the last week of April it will be laid to rest—Long Live Washington Hall in our hearts and minds forever. . . . Amen.

## Dinner-Dance, Elections Held At Hershey Club

Kappa Lambda Nu and Phi Lambda Sigma of Lebanon Valley College held their annual dinner-dance on April 14 at the Hershey Park Golf Club. Don Trostle and his combo orchestra furnished the music.

Guests at the dinner-dance included Mrs. Ruth Bender, adviser of Clio, Miss Mary Gillespie, director of the conservatory of Music, and Mr. Richard Neithamer, associate professor of chemistry.

During the dance Diane Kohr, president of Kappa Lambda Nu, was crowned queen of the affair by Jack Saylor, president of Phi Lambda Sigma.

Following the dinner, the officers of Clio and Philo for 1956-57 were announced by their respective presidents. Clio officers are as follows: president, Dorothy Book; vice president, Barbara Johnson; recording secretary, Arlene Reynolds; corresponding secretary, Barbara Klinger; and treasurer, Janet Lee Blank.

The Philo officers for 1956-57 are president, Thomas Teates, vice president, Joseph Nassaur; recording secretary, Eugene Pietreniak; corresponding secretary, Philip Niosi; treasurer, Kenneth Platt; chaplain, James Wright; and member-at-large, Vincent Crudele.

## Psychology Major Awarded Assistantship

Joan Elizabeth Conlin has been awarded a graduate assistantship at MacMurray College for Girls in Jacksonville, Illinois.

The scholarship which includes room, board, and tuition is valued at about \$1300. Miss Conlin is the only person to receive a scholarship to this particular school and she will receive a Master of Science degree in clinical psychology.

Miss Conlin resides in Lebanon.

## Baseball Returns To LVC Campus May Day

A tradition has come back to LVC after a one year's disappearance. Lebanon Valley has had a baseball game on May Day as far back as three years before Abner Doubleday invented the sport, but last year the diamond fell to the court—Le Bat en Ball, to La Danse.

This year Lebanon Valley plays Scranton at home, starting at 3:30 p.m. So after the visit to the Universe Unity Union come on out to see America's leading sport enacted on Lebanon Valley's own grounds. Play Ball!

## Squires Take Up Fight For Knighthood

These ready and raring-to-go young gentlemen, known as squires, are meeting requirements set forth by the Knights of the Valley. When they have conquered their tasks these Squires will be knighted and accepted to the Round Table. This is the fourteenth group to pledge to the Knights of the Valley since its advent in 1950. The aspiring candidates are: Tom Reinhart, Bill DeLiberty, Frank Giovinazzo, Sandy Stover, Art Ford, Ron Pieringer, Larry Ziegler, Clair Paul and Jack Hoffman.

## Molotsky Marks Way to Minors

A Walt Disney Fantasy was recently enacted when Troc and Knights of the Valley officially opened the softball season at Lebanon Valley College last week. Promising player-manager of the year Molotsky made his "Knightly" appearance early in the afternoon to get his arm in practice, and during the game held down the third base sack. His fortitude and daring maneuvers helped bring Troc from behind to tie the Knights of the Valley 7-7 at the end of the regulation seven innings of play. In the extra inning game the mighty Mollusk was unable to drive across any runs for Troc.

With one out and (Sir Gallahad) Peepe on first base, (Knight) Geesey slashed out a grounding ball to the Troc infield, but was safe on a bad throw to Bob (the Crow) Dinerman at first sack. Peepe shoved into high gear for third base, Dinerman made a mighty heave to Molotsky for the....., oh well, Molotsky was ready for the throw, but he couldn't quite touch the bag and stretch for the ball, which slid past him. Molotsky hasn't given up yet — he's fighting hard on the comeback trail even if it is a secret!

## Records Fall, But Valley Trackmen Lose to F&M 88-38

Two Lebanon Valley field records fell on April 10, but the Diplomats from Franklin and Marshall College overpowered the Dutchmen in the running events to easily take an 88-38 decision.

Freshman Frank Argenziano copped the pole vaulting honors with a 10'6" effort which surpassed the previous LVC high of 9'9" set in 1918. Dale Sheaffer also set a Valley record by throwing the javelin 160'6" although his toss was only good for second place.

F&M's olympic hopeful Don Martin led all scorers by taking first place in the 120 yard high hurdles and the 220 yard low hurdles and a first place tie in the high jump. Martin's time of 15 seconds in the 120 high hurdles was 2.2 seconds better than the LVC record.

Gene Pietreniak was the only double winner for the Dutchmen as he easily took the discus and shot put events. Charlie Wernert sailed 20'1" in the broad jump for another Valley first while Pat Dale tied F&M's Martin for high jump honors at 5'9", just one inch away from the LVC record.

Bob Longenecker, with a third in the javelin, Wally Rich, with a third in the pole vault, and Aubrey Kershner, with seconds in the century and 220 and thirds in the 120 high hurdles and 220 low hurdles rounded out the scoring for Lebanon Valley.

Coach McCracken's cindermen have a few promising underclassmen, but they lack depth. Once more an invitation is extended to any track aspirants.

## Flying Dutchmen Nine Open Season With 6-3 Win Over F&M

Lebanon Valley's Flying Dutchmen nine opened a seventeen game season after having their first game with Susquehanna called off by taking a 6-3 decision from Franklin & Marshall on the Valley's field April 10.

Co-captains Glenn Thomas and Bill Wenrich combined pitching abilities to hold the Diplomats to only two singles while the Dutchmen bats were busy banging out a total of twelve bingles. Thomas started for the Valley and got the win with Wenrich putting out a late rally and preserving the victory.

After F&M broke the ice with a single tally in their half of the third inning, the Valley came right back to tie the score at one all.

In the fourth inning Bill Schadler, Dick Shover, Tom Reinhart, and Pete McEvoy crossed the plate giving the Dutchmen a commanding 5-1 lead. In the sixth the Dips scored two quick runs as Thomas hit a wild streak, but Wenrich put the fire out. A double by Ross Plasterer and a single by Thomas gave the Valley an insurance run in the seventh.

Larry Bennetch and Plasterer led the Dutchmen attack with two hits each while Plasterer, Shover, and Reinhart had the only extra base blows of the game, all doubles.

## LVC Glovemen Have Record Evened At 1-1 By Moravian 9-6

The record of Lebanon Valley College's baseball team was evened at one and one by a powerful Moravian squad on the loser's home diamond April 12 by the score of 9-6.

Bob Nelson, making his first appearance of the season, allowed four hits and three runs while walking two and fanning one. Bill Wenrich, who took over the mound chores in the fourth and went the rest of the way, gave up six runs and seven hits while striking out two and giving six free passes.

Moravian jumped off to a six to two lead at the fourth inning and kept the lead all the way despite two runs by the Valley in the fifth frame and two more in the seventh.

Bill Schadler and Larry Bennetch were the big guns for the Dutchmen as they each banged out two hits including the Valley's only extra base blow, a double by Schadler.

Millersville will provide the opposition on April 21 while the Flying Dutchmen travel to Moravian on April 26 and Drexel on April 28.

## Four Student Governing Bodies Elect Officers

Jo Anne Grove, junior chemistry major, has been elected president of the Resident Women's Student Government Association. Carol Kelly, junior music education major, was elected vice-president, Darlene Steiner, sophomore music education major, secretary, and Nancy Gibson, junior music education major, treasurer.

Senior representatives are Bonnie Lou Speck and Pat Lutz, junior class representative Joan Heindel, and sophomore representative Mary Beaver.

Beverly Hemperly, sophomore elementary education major, has been elected to the presidency of the Woman's Commuter Council. Thelma Hauer, junior elementary education major, was elected vice president, Marilyn Kreider, freshman liberal arts major, was elected secretary. Lois Gingrich and Loretta Hostetter are to be members-at-large.

William Schadler, junior chemistry major, has been elected to the presidency of the Men's Day Student Congress, while James Boyer, junior English major, was elected vice president, Robert Hipp, sophomore pre-medical major, treasurer, and Mark Miller, freshman economics major, secretary.

William Kiick, junior economics major, has been elected to the presidency of the Men's Senate. Donald Reinhard, junior chemistry major, was elected vice president, and John Bell, pre-theology major, secretary-treasurer.

The faculty of Lebanon Valley College has been charged by the Board of Trustees with the responsibility of government on the campus. In the interest of democratic living, a part of this responsibility is delegated to the students performed through four governing bodies.

Resident Women's Student Government Association, better known as Jiggerboard, is designed to take care of the problems which arise when a large group of girls live together. Jiggerboard aids in sponsoring Gander Week-end, the annual Christmas Banquet and Dance and other extra-curricular activities.

Women's Commuter Council was organized for the purpose of taking care of problems of women day students since they are of a different nature than those of the resident students.

Men's Day Student Congress was organized in conjunction with WCC to meet the varying needs and problems of men day students. Jointly WCC and Men's Day Student Congress sponsor activities such as the Valentine Dance.

## May Day Successful At Lebanon Valley College

### 1956 May Queen and Court

Spring is here and with it came to Lebanon Valley College its traditional May Day Pageant. This year the theme was "Peace Of Earth." The pageant was written by the Green Blotter Club.

Court processional and coronation initiated the program. Kathy Dotts was Queen of the May and Shirley Warfel Maid of Honor. Ladies of the Court were Mrs. Jacquelyn DeBenedett, Shirley Heizmann, Cynthia Patton, Gloria Ritter, Naomi Sprenkle, and Mrs. Jean Wolf.

Pages for the Court were Gail Bissingier, Stephen Allen Ebersole, Constance Sue Ehrhart, Reynold Marquette, and Kathy Sue Neidig.

Mrs. Jane Taylor Kiehner, 1955 Maid of Honor, crowned the May Queen.

As the program proceeded Spatians appeared and descended onto the grounds. Of course, the Earthlings appeared dazed and bewildered. Well, that's how it went on through the planets and with it beautiful music and dancing.

#### Music and Dancers

Following are lists of dancers and music with the directors for each dance. "Perpetuum Mobile" by Johann Strauss; choreographer director—Ruth Howell; dancers—Estelle Berger, Patricia Evans, Ruth Howell, Donna Kirchner, Nancy McDonald, Flora Rhen, Elizabeth Ritter, Margaret Robinson, and Carolyn Schair-

## Sand and Sea Sets Stage For Junior Prom

The Annual Junior Prom sponsored by the Class of '57 features a seashore setting in the Lynch Memorial Gymnasium, with dance music under the leadership of Al Bethel and his fourteen-piece band. Included in the setting will be an under-sea bandshell (or Kershner's folly), a treasure chest, and all the various forms of marine animal life as guests.

This year's festivities are under the guidance of Cal Wacker, Jerry Lego and Tom Teates. Tickets for the dance, which will last from 9-12 p.m. (Daylight Saving Low-Tide Time), may be obtained from Junior class officers. These tickets also can be purchased at the door the night of the dance.

The Junior Prom, the nightcap of May Day, promises to be a refreshing highlight of the festivities. Everyone is invited to:

A sea breeze  
and you with me  
dancing . . . happy

Griffiths Poem for flute string accompaniment

The year has almost come to a close as far as the activities in the conservatory are concerned. However, there is still the Concert Band concert, and the Solo Woodwind Recital. We are all accustomed to going to the recitals and to the band concert, but this year we have something unique with the Solo Woodwind Recital with Symphony Orchestra.

What will one hear at this Recital? Well, you'll hear six soloists, all woodwind players, accompanied by symphony orchestra.

Thomas Silliman, a junior, will play oboe, Renato Perez, bassoon, Pat Lutz, saxophone, Harold Weitzel, clarinet, and Louise Loeper and Dorothy Grabau, flute. All of these soloists will be accompanied by the L.V.C. Symphony Orchestra, Mr. Thomas Lanese, conductor.

The instigator of this unusual program is Mr. Frank Stachow, woodwind professor in the conservatory. It is hoped that every one will take an active interest in this Festival and that in future years this institution will be kept alive—perhaps even become a tradition.

Keep this date in mind—May 8—8 p.m.—Engle Hall for the Woodwind Festival.

## Track Squad Drops Away Meet To Albright

Lebanon Valley College's track squad travelled to Albright College on April 24 and received a sound 87½ to 38½ trouncing.

The underclassmen-laden cindermen were below their usual par in their first meeting on foreign ground of the season.

Aubrey Kershner took a first in the hundred yard dash and seconds in the 220, 129 high hurdles, and 220 low hurdles for a high of 15 points. Lloyd Smith came in with a first in the 440 and third in the century and 220.

Charlie Wernert jumped to an 18'6" first place tie in the broad jump for the only other Valley first. Seconds were scored by Pat Dale in the high jump, Dale Sheaffer, javelin, Gene Pietrinak, shot put, and a second place tie was split between Wally Rich and Frank Argenziano.

## Dutchmen Lose Second Tilt To Moravian 11-1

Lebanon Valley traveled to Moravian College on April 27 and walked headlong into an 11-1 defeat.

The Dutchmen could gather only three scattered singles off the Moravian chucker Woitscheck as only four men could reach base, the other being on a walk.

A seven run first inning wrapped things up for the home team with five and three hits spelling the end for Valley starter Art Ford. Bob Nelson, taking over in the third inning, held Moravian in check but to no avail. Bill Krick hurled the ninth inning and allowed the final two runs.

The Dutchmen tallied their lone run in the eighth inning as Tom Reinhart singled solidly to right, pinch runner Frank McCullough went to third on a wild pitch and steal, and scored on Joe Stauffer's outfield fly.

### FEMININE FEATURES

Following a split initiation held on Friday, April 27, and Monday, April 30, WAA is adding to its roster of members twenty-two girls. First experiencing a grueling hour and quarter of duck walking, wheel barrowing, skipping, relaying, and so on, the new as well as the former participants feasted on the traditional baked beans and hot dogs with all the trimmings.

New members include: Phyllis Dasher, Elaine Goodyear, and Elaine Sproul, juniors; Dot Jones, Nancy Kettle, Barbara Klinger, Marie Meyer, sophomores; Peg-

## Valley Nine Rallies Twice To Down MSTC and Drexel

### Score Twice In Ninth For Third Victory

The Valley baseball squad won its third game of the season against one loss as they scored two runs in the bottom of the ninth inning to down Millersville State Teachers College 4-3 on April 21.

Glenn Thomas batted across the winning run with a one-out single through the middle while, just before, Ross Plasterer dumped a single into left field scoring the tying run.

Les Miller got the home forces off to a good start with a powerful four-bagger over the head of the Marauder left fielder. It wasn't until the eighth inning, however, that the Dutchmen could again score bringing the count to 3-2 and setting the stage for the Valley's last ditch rally.

Bill Wenrich racked up his third win of the year against no losses as he fanned six and passed four in going the route. Miller and Joe Stauffer, with two bingles apiece, led the Dutchmen attack.

## LVC Cindermen Lose To Millersville 81-45

Lebanon Valley's outnumbered track squad went down to their second defeat of the year before a new Millersville State Teachers College cinder outfit on April 21 by 81-45.

Once again, the visitors took too many second and third places for the Dutchmen to cope with. Aubrey Kershner, with a first in the one hundred yard dash, a second in the 120 high hurdles, and a third in the 220 led the Valley scoring.

Gene Pietreniak also scored a first in the shot and second in the discus for eight points. Lloyd Smith handily won the mile run; Pat Dale, the high jump, and Dale Shaeffer, the javelin, were the other Valley winners while Frank Argenziano tied for first in the pole vault.

Charlie Wernert added thirds in the broad jump and pavelin and Wally Rich chipped in with a third in the pole vault to bring the Dutchmen total to 45.

gy Barbour, Mary Beaver, Estelle Berger, Marion Brooks, Veronica Evans, Louise Gay, Joanne Grubb, Marilyn Hafer, Ruth Howell, Nancy McDonald, Flora Rhen, Betty Ritter, Rosalyn Rodgers, Ann Wertz, and Doris White, freshman.

Congratulations to the badminton champion, Jeanne Winter, and ping pong victor, Ruth Howell!

Hope you enjoyed May Day 1956!

### Tally Four Times In Twelfth Inning

Led by the two booming home runs of Dick Shover, the Lebanon Valley baseball forces took a twelve inning 8-2 decision from Drexel Tech on April 24.

With the game all tied up at four and four in the fateful twelfth, Bill Schadle started things off with a single followed by Shover's powerful blast over the left field bleachers. The Valley then added two runs for good measure.

Earlier Shover put one in the left field bleachers giving the Dutchmen their first two runs. Drexel came right back in the half of the fourth, however, to bring the count to 4-2.

Behind going into the ninth frame, the Dutchmen knotted the score with walks to Vince Crudele and Joe Stauffer, single by Joe Toy and Pete McEvoy, and a squeeze by Bill Wenrich.

Vince Martinicchio started for the Valley and had smooth sailing until the fourth when Glenn Thomas took over. Wenrich relieved in the eighth and went the rest of the way picking up his third win of the campaign against no losses.

## Flying Dutchmen Nine Takes E-Town Easily

The Flying Dutchmen came through on April 17 to give Elizabethtown College a sound 9-3 beating in a game played on the Valley field.

A three-run second inning and a four run seventh sewed up the game for the Dutchmen as Bill Wenrich won his first game of the year.

Ross Plasterer was the big man for the Valley with three singles in four trips to the plate. Wenrich helped his own cause along with two singles.

After the teams split two runs in the first inning one base blows by Larry Benetich, Tom Reinhart, Wenrich, Les Miller, and Plasterer accounted for three more tallies.

Three walks, an error, and a Bill Schadle single provided the four-run cushion in the seventh frame. Wenrich fanned five and walked the same number as the Dutchmen brought their record to two wins and one loss.

## Freshman Girl

MARY BEAVER

On Monday night the retiring and incoming officers of the women's student government organizations, Women's Commuter Council and Resident Women's Student Government Association, were the guests of Dean Constance P. Dent at the Green Terrace, east of Annville.

At the meeting the Freshman Girl for 1955-56 was appointed and given a charm bracelet for the recognized activities she has participated in during the past year. The nominee for this year was Mary Beaver.

Miss Beaver is an English major from Millerstown.

## Helen E. Myers Honored Upon Retirement

Administrators and faculty members at Lebanon Valley College gave recognition and praise to one among them who is, like the library she has managed for 35 years, a steadfast symbol of service at the Annville institution.

Miss Helen Ethel Myers, a 1907 cum Laude graduate of LVC and its librarian since 1921, is retiring following the close of the college year in June.

She was the guest of honor on Tuesday evening at a banquet held by the college in the social hall of the College Church.

Born in Mt. Joy, Miss Myers attended public schools there, and after her studies at LVC, graduated from Drexel Institute Library School in 1908. She did library work in a branch of the New York Public Library and the University of Chicago Library for four years before returning to her native Lancaster County in 1912 as librarian of the Lancaster Public Library, where she established a catalog system, started a full time daily operation, and opened up branch libraries and deposit stations in the county.

## Dickinson College President To Address 87th Commencement

### Student-Faculty Council Elects Officers

Donald Burkhart, an English major from Camp Hill, has been elected to serve as the president of Student-Faculty Council for the year 1956-57. Elected to the vice-presidency is Ray Lee Kunkel, a political science major from East Petersburg. Ruth Sheetz will serve as secretary and she is an English major from Reading. Holding the post of treasurer is Wilbur Priester, a political science major from Athol, Mass.

Student-Faculty Council is considered as a coordinating body for all organizations on the campus. Through the organizational representatives the student body can support and help to make Student-Faculty a successful contribution to the campus. It is important for the student to know that an organization can only receive recognition if there is a representative to the Student-Faculty Council.

The purpose of the organization as stated in the **Lebanon Valley College Bulletin** (p. 12) is "to consider matters pertaining to student welfare, to seek improvement of the social life of the campus, to serve as liaison between students and faculty, and to suggest and initiate programs for the over-all improvement of the college."

This is a reminder to give the full support needed to the elected officers, to see that your organizational representative attends all the meetings, and to see that you derive some benefit from the organization through these representatives. This is the duty of every student on the campus of Lebanon Valley College.

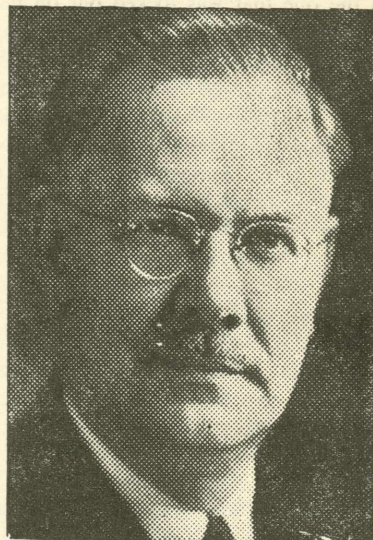

### Awards and Installation Of Officers At Chapel

Awards for outstanding abilities and achievements were made at the regular chapel service on Tuesday.

Donald Burkhart, a junior English major, received the Alice Evers Burtner Memorial Award established in 1935 in memory of Mrs. Alice Evers Burtner by Daniel E. Burtner, Samuel J. Evers and Evers Burtner. It is awarded on the basis of scholarship, character, social promise, and financial need to an outstanding member of the Junior Class.

DR. WILLIAM W. EDEL

Four years of work and play, laughter and tears, basketball games, junior proms and a million and one other things reach their climax on June 4, 1956, in the 87th commencement exercises of Lebanon Valley College.

The main address will be presented by Dr. William W. Edel, president of Dickinson College, Carlisle, and a retired United States Navy Chaplain. Dr. Edel, a native of Baltimore, has been president of Dickinson College since 1946 and Navy chaplain for thirty years prior to his retirement. Interested in advancing international good-will, Dr. Edel made a study tour of Israel and neighboring areas with the American Christian Palestine Committee in 1949.

Along with the seniors who will receive their bachelor degrees, Dr. Edel will be presented with a Doctor of Civil and Canon Law honorary degree. Doctor of Divinity degrees will be presented to Rev. Harry W. Zechman, pastor of the Derry Street Evangelical United Brethren Church, Harrisburg, and Rev. W. Ward Smith, pastor of the First Evangelical United Brethren Church, York. Adrian O. Morse, provost of the Pennsylvania State University, will receive an honorary Doctor of Laws degree.

Previous to the Commencement Day activities, Baccalaureate services will be held in the Annville Evangelical United Brethren Church on Sunday, June 3. The Reverend Paul E. V. Shannon, D.D., Superintendent of the Pennsylvania Conference in the Evangelical United Brethren Church, will give the Baccalaureate Sermon.

## Student Lounge Needs Your Support

Since it was known that the Student Lounge would be vacated when Washington Hall was removed to make way for the new library, students on the campus began to think about a new Student Lounge.

Last April several students decided that it would be practical to start a fund whereby at some convenient time the college sees fit that a new Student Lounge could be made available to students, they could show the interest that students had and present in a stable form the idea of a new Student Lounge.

This was started in the form of a dance—"April Showers" Dance. From that dance \$96.70 was collected. The amount grew when Kalo contributed five dollars and Future Teachers of America contributed ten dollars. It has been rumored that there is another collection on the campus. The total collected so far has been \$111.70. This is a good beginning and there is hope to complete the project as soon as possible.

## Chem Club Picnics At Mount Gretna

"The more we get together, the happier we'll be." So it was that a happy group (including Carl Peraino) met at Mt. Gretna, May 12, to observe its annual picnic. This group did not include William Holden or Kim Novak, but was made up of people that have nothing to do but sit and throw atoms at each other all day, or the Chemistry Club of Lebanon Valley College. To start off the day's activities, Professor Neithamer led a spirited team into the hall of fame by beating Tom Hess' Hitless Wonders. Catchers for both teams were carried off the field early in the game: Tom Hess, for colliding with third baseman Balsbaugh (both were watching the wrong curves); and Blockhead Sparky, who got batted on the head by Slugger Georgie Funk. Gene Adams was the big gun for Neithamer's Ten, who hit a cheap single homer in the last of the 9th to win the ball game 14-13. Of course this made Peraino unhappy.

Another "club the ball" game was played in the form of miniature golf. Low man paid for the cokes—Ruth Sheetz is still looking for hers.

After eating the traditional hot dogs and baked beans, more golf was played as others hiked to Governor Dick to enjoy the scenic panorama of the country side. With the help of a fine day the Chem Club picnic was very successful.

HIT  
THOSE  
FINALS!

## Knights Award Scholarship

Ronald Pieringer '57, has been named as recipient of the Knights of the Valley Scholarship Award inaugurated this year for the first time. A junior who hails from the famous metropolis of Bergenfield, New Jersey, Ronald is majoring in chemistry and is active in Tri-Beta and Chem Clubs.

The Knights of the Valley Scholarship Award is awarded annually to some student of the College or the Conservatory of Music based on the individual's academic progress, the individual's character and contribution to college activities and finally, strong emphasis is placed on the individual's need.

## HELEN E. MYERS

Cont. from p. 1, col. 1

After nine years in Lancaster, she moved to her present position. Says she, "When I came to Lebanon Valley, the students had no respect for the library. (It) was a place for gangs to congregate and have a good time."

Miss Myers succeeded in convincing the students that the library was meant to be a pleasant place for reading or study, and since then "the relations between the library and students have been friendly ones."

In the years that followed Miss Myers worked diligently to build up the service and scope of the library.

Residing in Annville she has been active over the years in the American Association of University Women, the Women's Society of World Service in the E.U.B. Church, and regional, state and national library associations. She also helped in founding the Annville Free Library, taught English for a number of years at the college, and has been active as a lecturer and author.

Miss Myers leaves her position as the college librarian with a realm of memories concerning the life and growth of the college as a whole as well as the library.

"The making of a library," she says, "is more than just collecting books."

Dr. Donald E. Fields will succeed Miss Myers and as the campus has been made ready for the new library there is a newer vision for the new successor.

## ANYBODY FOR A TYPEWRITER?

Do you know that before a newspaper goes to press it must be typewritten on paper to determine size and amount of space an editor must allow for a story? Even for **La Vie** this is true.

Do you know that **La Vie** has a typewriter that must have come to America after the first boat load of Puritans on the Mayflower? Well, our typewriter isn't quite that old, but you can hear it in West Hall and our new office is in the rear of Haas Hall top deck.

You should hear how it "ticks," did I say "ticks," I mean "bangs and bongs." The first time I used it and that was way back when I was a freshman on the campus of LVC, I ran for the nearest "foxhole," for I thought a small bomb exploded or something. You see, I am a veteran and those little explosions kind of make you go back to the old salty days when we were looking for "spitbombs" at Vieques in the Caribbean waters.

But then you should see the work it puts out, I think if my mathematics is correct it is about . . . well, you guess, it may be as good as my guess.

Oh, by the way, I forgot to tell you, it is the only one we had, have, and will have till some rich soul wills one to the business offices and they in turn will one of their's to **La Vie**.

Typewriters mean a lot to a newspaper editor and his staff. It may mean the life of a reporter or it may not. It may mean the life of an editor or it may not. If an editor or a reporter has no typewriter it may mean the life of a newspaper. And you know what that would mean even to **La Vie Collegienne**. I know what it would mean to the student body of Lebanon Valley College; they would demand a reduction in their students' activity fee.

Now the moral of this story is that **La Vie Collegienne** needs a typewriter rather desperately and to make that known to the proper authorities and to the student body the editor has taken the liberty to write this editorial. Some of the statements are exaggerated at some places, but mainly the idea is to get the students' attention to what some of their money could be worthily spent. It could improve the paper.

We are not out to solicit typewriters, but we think if we could bring to the students' attention the fact that typewriters are needed in the office of your college newspaper there would be happier editors and reporters, even happier students who won't need to dash into the treasurer's office asking a refund on their activities fee.

## Beautiful Day

I met God in the morning,  
When my day was at its best,  
And His presence came like sunshine,  
Like a glory in my breast.  
All day long the presence lingered,  
All day long He stayed with me,  
And we sailed in perfect calmness  
O'er a very troubled sea,  
So, I think I know the secret,  
Learned from many a troubled way—  
You must seek God in the morning,  
If you want Him through the day.  
—Burr McIntosh in **Cheerful Letter**.

During the chapel hour the names of those who attained the achievement of being listed in **Who's Who Among Students in American Colleges and Universities** and Phi Alpha Epsilon were given certificates. Officers of the four student governing bodies, Student Christian Association, and Student-Faculty were installed.

Howie Landa Named  
Head Basketball  
Coach At Shamokin

Howard Landa, former Lebanon Valley College basketball sensation, has been named head coach at Shamokin High School for the 1956-57 school term, it has been announced recently.

Howie has been teaching at the Millersburg High School and playing professional basketball with the Sunbury Mercuries in the Eastern Professional League since completing his course of studies at LVC.

It will be remembered that Howie was on the team that went to Raleigh, North Carolina, in 1952. He was a member of the team when the Dutchmen played good basketball in 1953 and seniors remember "Howie Landa Night."

## Lebanon Valley Track Team Loses To Ursinus

The cindermen of Lebanon Valley College lost a 99½ to 25½ dual meet to a superior Ursinus College track outfit.

The Dutchmen captured no first places, but garnered three first place ties, two seconds, seven thirds, and a third place tie for their 25½ points.

Pat Dale, with 5'7" in the high jump, Charlie, with 19'11½" in the broad jump, and Frank Argenziano, with 9'6" in the pole vault, were first place ties for the Valley while Aubrey Kershner took both seconds in the 120 yard high hurdles and 220 yard low hurdles.

Kershner also took thirds in the 100 yard dash and 220 yard dash, as did Lloyd Smith in the 40, Gene Pietreniak in the discus and shot put, Wally Rich in the pole vault, and Charlie Wernert in the javelin. Ken Swisher took the third place tie for the Valley in the high jump.

## Valley Swamps E-town In 14-3 Slugfest

Lebanon Valley's Flying Dutchmen unleashed a deadly 16 hit attack to completely rout Elizabethtown College on May 12 at E-town by a 14-3 score.

Bob Nelson recorded his first win of the season against two losses with a five hit, four strikeout, three walk performance.

The Valley wasted little time in shell-ing E-town ace, Bruce Wohnseidler, out of the box with six runs in the first inn-ing. LVC then added two more runs in the second, one in the third, two in the sixth, one in the seventh, and two in the eighth to run up their highest single game output of the season.

Dick Shover and Glenn Thomas led the batting spree with four hits each in six times at bat as Shover blasted a home run and triple. Les Miller, Larry Ben-netch, and Nelson followed with two hits apiece.

## Dutchmen Lose Close 2-1 Duel To Wilkes

Lebanon Valley and Wilkes College hooked up in a thrilling pitcher's battle on May 8 with Wilkes coming out on top 2-1.

Bob Nelson allowed only six hits in going the route, but a two-run third inn-ing proved to be his downfall. Wilkes twirler, Merle McNew, limited the Dutchmen to three singles by Joe Stauffer, Dick Shover, and Larry Bennetch while hanging up the win.

Nelson fanned five and walked one while his opponent fanned nine LVC batsmen and allowed no free tickets.

The Valley tallied its only run in the fifth inning when Dick Shover got on by an error and scored on Bennetch's single to right. For the Dutchmen it was their fourth defeat of the year.

## Bill Wenrich No-Hits G-Burg; Gives Scranton Two Hits

### Schadler Bats In Both Runs In 2-0 Victory

Senior co-captain Bill Wenrich tossed a two hit shutout at the University of Scranton on May Day then came right back on May 10 to completely hand-cuff Gettysburg College with a magnifi-cent no hit-no run effort extending the Valley record to six wins against four losses.

Wenrich, a math major from Palmyra, opened the game with a blazing fast ball and just ninety-one pitches later recorded the first no hitter of his collegiate career.

As the game wore on, every pitch seemed longer coming, every out grew bigger; there was always one more batter until Larry Bennetch hauled in the final out.

Only four visitors reached base, three by walks, and one by an error, as Wen-rich retired the side in order in six of the nine innings and was never in trou-ble. In addition to the three walks Wen-rich also fanned six while in the process of forming his masterpiece.

Bill Schadler provided the winning runs with two sharp singles to center in the first and fifth frames scoring Glenn Thomas and Pete McEvoy respectively.

Gettysburg hurler John Schleicher also twirled a creditable game allowing ten hits, striking out three, and passing the same number.

### FINAL INTRAMURAL STANDINGS

Knights	5-0
Troc	4-1
Whiz Kids	3-2
Kalo	2-3
Philo	1-4
Vets	1-4

## LV Marquettemen Drop 4-2 Tilt To Albright

The Flying Dutchmen nine dropped a close 4-2 decision to Albright College here on April 30.

Bill DeLiberty started for the Valley and gave way to Glenn Thomas in the fifth. Bill Wenrich took over the mound chores in the eighth frame and finished the game.

After Albright scored a first inning run, LVC came back to knot the count in the second frame as Pete McEvoy singled across Thomas. Albright then added two in the fifth and the Dutchmen pulled to within one in their half on a Bill Schadler single scoring Ross Plasterer.

Schadler was big man for the Valley with three hits in three times at bat. Mc-Evoy and Larry Bennetch had the only other hits for the Valley.

### May Day Celebrated By Easy 6-0 Win

The Lebanon Valley baseball squad added to the festivities of May Day on May 5 with a 6-0 win over the University of Scranton.

Bill Wenrich allowed only two hits as he racked up his first shutout of the sea-son and his fourth win against no losses.

The Valley got its first run in the first inning as Larry Bennetch walked with the bases overflowing forcing in Glenn Thomas who had singled previous-ly. A big three-run sixth inning sewed up the game for the Dutchmen.

Wenrich also led the hitting depart-ment with three singles in four trips to the plate followed by Bennetch and Thomas with two one-base blows.

Wenrich allowed no walks as he struck out six while his opponents on the mound, Tom Oltorik and John Reilly, fanned two and passed four between them.

## Feminine Features

Attending the annual Women's Athletic Association banquet sponsored by the college on Monday May 7, were forty-three members, the adviser, and four dor-mitory proctors. This year was the first time that the event took place in the college dining hall.

The initiates, with Ruth Howell as mistress of ceremonies, presented the pro-gram to the member.

Following the special numbers, Miss Betty Bowman, the club's adviser, pre-sented the awards to those girls having a sufficient number of points to warrant receiving them. Miss Gertrude Turner, a hall proctor who is a faithful supporter of W.A.A. and its activities, received her first chenile L.

Sandra Nelson, W.A.A.'s president for 1955-56, announced the new officers and intramural leaders; each of the latter group received a small remembrance from the previous leader. The newly elected cabinet consists of the following: Jeanne Winter, president; Joanne Young, vice-president; Dorothy Book, secretary; Barbara Johnson, treasurer; Sandra Weit, student faculty representative; and Joan Heindel, La Vie reporter.

Intramural captains are Peggy Barbour, Mary Beaver, Phyllis Dasher, Louise Gay, Elaine Goodyear, Joanne Grubb, Joan Heindel, Ruth Howell, Nancy Ket-tle, Fern Liskey, Arlene Reynolds, Rosa-lyn Rodgers, Elizabeth Speicher, and San-dra Weit.

## Dr. Edel To Deliver Commencement Address

All this . . . . . for this?

### A Glance Backward To Years We Leave Behind

Four study-filled years ago we stood in line to register in what we now fondly, or not so fondly, call the "Valley." Each has his own recollection of those freshman days when the dinks, ties and term "froshie" were endured simply because it meant arrival at last in college. College life in that first year signified varying degrees of agony and pleasure; there was Freshman Week with its new acquaintances, the inevitable autobiography and English term paper, the first cup of coffee at Hot Dog's and, oh, yes, we did lose that tug-of-war, didn't we? The basketball season proved to be the most exciting in LVC history, we're still talking about that Fordham game and the thrilling but disappointing trip to North Carolina. As the year ended the election revealed Clair was to be proxy for our sophomore years.

Sophomores are about midway between nowhere and nothing; no longer were we greenies but we were not yet in swing of upperclassmen—and for the most part were not yet twenty-one—except Hennie. The tug-of-war proved that the masculinity had improved over the previous year and instead of losing, we tied. Humanities 20 was a real panic; it separated the students from the clowns varying in degree from the first row to the last. And this was the year that Willy sold his sports car and bought a diamond ring. With frequent trips to the "quarry," dancing in a Chinese garden, and re-election of President Kelly, the year closed.

Juniors! Real full-fledged upperclassmen—wow! With the status of juniors came added responsibility, most important was the Quittie which gave Editor Buck some king-sized headaches and Financial Manager Hofing some king-sized ideas on how to make money. Basketball season was again a success ending in a distinctive fashion with "Howie Landa Night." Spring and prom-time didn't wait too long in arriving last year. Remember "One Night in Paradise" and what fun we had in planning and decorating.

Today we have completed our last class at the "Valley"; it is a strange sensation, both wonderful and regretful. The year began with the arrival of the long-awaited yearbooks, the election of Kathy Dotts to president, and the assuming of leaderships by members of our fold. The year is ending with weekdays filled with field trips, interviews, tests and a few classes; weekends are chocked full of dances, banquets, recitals and parties in which we are draining the last drop of fun from an overturned college days glass. The events that we remember include the Friday night Senior Party—how 'bout that baby pose of Walker's? Senior Ball, a calm before the storm of our last May Day. The May Day weather could not have been more perfect, the dances could not have been more exotic, the May Court could not have been more picturesque. The prom was cool as we danced underwater and Sidney's party was cooler as we danced under alcohol.

Tonight will be our last formal get together, there are but two weeks left on campus—make them a memorable two weeks!

On June 4, 1956, one-hundred nine senior students will complete their four year college experiences at Lebanon Valley College. This is also the 90th year since the founding of Lebanon Valley College—in 1866.

Dr. William W. Edel, President of Dickinson College, Carlisle, Pa., and a retired United States Navy Chaplain, will speak at the 87th Commencement exercises, which will be held outdoors on the center campus. A native of Baltimore, Dr. Edel has been President of Dickinson College since 1946, having served previously as Navy Chaplain for thirty years. In 1949 he made a study tour of Israel and neighboring areas with the American Christian Palestine Committee. Dr. Edel has long been interested in inter-faith work.

Along with the seniors who will receive their bachelor degrees, Dr. Edel will be presented with a Doctor of Civil and Canon Law honorary degree. Doctor of Divinity degrees will be presented to Rev. Harry W. Zechman, pastor of the Derry Street Evangelical United Brethren Church, Harrisburg, and Rev. W. Ward Smith, pastor of the First Evangelical United Brethren Church, York. Adrian O. Morse, provost of the Pennsylvania State University, will receive an honorary Doctor of Laws degree.

History is a record of crises. It is a continuum of famine, flood, earthquake, and fire. It is a fight to the death between the Trojans and the Greeks, the Greeks and the Romans, the Romans and the barbarians, the Catholics and the Protestants, the Church and the State, the scientists and the theologians, the Communists and the capitalists, the professors and the students.

But never in the history of man has the world known a crisis comparable to that which faces it today—nay, at this very hour. Even now the knell is sounding in science, in education, in industry, in the armed forces—even, yes, even in the theatre. History is facing its blackest hour. **THE CLASS of '56 is being unleashed upon an unsuspecting world. DEUS MISEREA-TUR.**

—A. D. Faber, Senior Class Adviser  
P.S.—I'm only kidding. It really isn't a crisis—only a major ripple. Best of luck to my favorite senior class.

*All's well that  
ends well!*

## Class Prophecy

It is the year 1976 — the 200th anniversary of the birth of our nation — the Demo-publicans are meeting in Zilchville, USA, to nominate a candidate for the forthcoming Presidential election. This unusual convention features two colorful figures running for the Demo-publicans nomination for President; **Sidney Hofing**, the junior-junior senator from New Jersey, and **Chucklin' Charley "A" Zettlemoyer**, mayor of Reading, Pa. **Jim Boltz**, coordinator of the convention, foresees a close battle, considering the integrity, loyalty and experience of both gentlemen.

The underlying philosophy of the Demo-publican Party is promoting non-conformity. This has been adopted mainly through the efforts of the New Jersey delegation headed by **Sandy Nelson** and her cohorts, **Nancy Adams**, **Mildred Osinski**, **Howard Pachasa**, **Bob Walker**, **Howard Voorman** (the new Dodgers' manager), and **Henry Smith** (alias Henry Chudzikiewicz). Proposed bill to be considered by the Party for their platform is a congressional hearing headed by FBI agent, **John Yorty**, for the investigation of **Norman Blantz**, radical socialist leader who attempted overthrow of the Party.

In this convention town there are numerous attractions—probably the most frequented spot is **Palmer's Palace**. Inside, the convention crowd is watching a stage-show featuring the prominent T-V stage star, **Bruce Thompson**, with his "rockettes," coached by **Joan Napoliello**. **Don Griffith** will later introduce a new hit song, "My Girl, **Shirl**," words and music by **Miriam Blatt** and **Elin Blouch**. **Trostle's Trotters**, that dizzy rock and roll band, is also playing at the Palace and has such personalities as **Sleepy Webber**, **Pius Kaltreider**, **George Wolfe**, and **Ted Fish**.

At the bar are many convention delegates getting the famous "Gittleman Service." Seated at one end of the bar, a girl is looking strangely into the eyes of the bartender—could her name be **Sylvia**? As the scene draws closer it is noticed that **Sylvia** is reminiscing with her friend **Jackie DeBenedett**, who is still waiting for De's return from the service. In the conversation they talk about their many friends who could not attend the convention. It seems that **Gerry Steger** is still working at the Co-Ed; **Jimmy Balsbaugh** is tied down with his duties as principal at Steelton High School; and **Dean Becker** is still student teaching at Hershey. **Ed Billingham** and **Jim Bollinger** are doing well with their frozen-custard stands at Atlantic City and Wildwood, respectively. Their employer, **Diane Kohr** spends her time alternately visiting the two. **Willy Lutz** has succeeded **Otto** as manager of his nationally famous chain of clothing stores.

Neither's Nine, the Walt Disney renowned softball team, includes such stars as **Slugger Hess**, **Larry** (Puddin' head) **Jones**, the **Rock Romberger**, and **Casey Hartman**, who can't attend because they have a game scheduled in Siberia.

Professional duties hold others from "conventioning"—**Joyce Snyder** and **Ronnie Steele** are appearing in Carnegie Hall's first Rock 'n Roll show. Also appearing in this show is the famous flutist, **Dorothy Grabau**, the jazz organist **Doris Brandt**, and the sultry singer, **Anna Lou Fisher**. A modern dance is another featured attraction which stars the "Gaudie Gillespie Gals," **Carol Bradley**, **Nancy Germer**, **Barb Neatock**, **Naomi Sprengle**, **Mildred Troutman**, **Cynthia Patton**, and **Peg Martin**.

The "Valley" claims the presence of professors who are tied down with their new development program. **Gene Geesey**, assistant coach to McCracken, is experiencing the usual winless football season. **Ron Lehman**, head of the economics department, is giving special repeat courses to **Ronald Day**. A noted physician, **Gene Adams**, is guest speaker at LVC for its annual visiting scientist program, where he is giving his famous lectures in Biochemistry on "Hormone Development." These lectures have been enthusiastically endorsed by the prominent EUB Bishop and college trustee, **Richard Leonard**. **Nancy Kirby** is hall proctor at Vickroy, but is given considerable trouble by the **Eckenroad-Grochowski** redhead children. The classes in "Marriage and the Family" are being ably taught by **Louise Karapandza**.

Nearby at Hershey Park, **Roy Boush** has been promoted to general manager of the "Fun House," and **Shirley Heizmann** has taken over the duties of "Old Sal," the laughing woman. The fastest ferris wheel in the world is manned by **Dale Shellenberger**. A free aerial act at the park features the Ringling Brothers sensational clown, **Cy Dietrich**. On the corner of the park a tent is set up in which a "salesman" is preaching of his famous and amazing hair tonic, who is none other than **Bernie Rightmyer**. Speaking of business men, it has recently been announced by **Elaine Buck**, editor of the "Lebanon Daily News," that **Tony Creamer II**, has a very strong monopoly on all coffee machines in Lebanon county.

Back in Zilchville, USA, the convention is still booming. The town itself has become prosperous through the successful "kitten" farms of **Wade** and **Boughter**. Various establishments dot the main street: **George Strong's** UnAmerican Insurance; **D. J. Farling's** Security and Exchange Commission; **Pris Thomas'** Reducing Salon; **Dr. Cottrell's** multi-million research hospital in which he has been ably assisted by his wife **Louise**; **Kelly's** Memorial Works (Try our convenient lay-away plan); and **Honest Jack Thomas**—the junk car dealer.

This has been a preview of what is to happen twenty years from now; sincerely we hope that 99 44/100% of this does not come true, but that's the way the ball bounces—it does?

## YOU WERE THERE - - -

**Doctor Neidig** (Pertaining to senior chem majors): "The diligent efforts of the fair sex to experiment with "coupled" reactions produced anomolous results which could be neither interpreted nor evaluated."

\*\*\*\*\*

**Ralph S. Shay** (Famous last words of history majors):

"Dale Shellenberger—'That was not in the college catalogue when I first came to Lebanon Valley.'

**Roy Boush**—'I think we better refer that to the illustrious gentleman from New Jersey, Mr. S. . . . . H. . . . .'

**Norman Blantz**—'Yes, that's right. We learned in History — last year that. . . .'

**Charley Zettlemoyer**—'Now I'm just about ready to bet an ice cream cone that the authors of the text said. . . . .'

**Gene Zimmerman**—'Darn it, here's another one of those ASSUME question.

**Sid Hofing**—'Well, the causes of the defeat of the Labor Party in 1951 go back to THE AMERICAN REVOLUTION. Moreover, Mr. Rump, son of a middle-class tailor of Cambridge, said that the element of luck was extremely important.'"

\*\*\*\*\*

**M. P. Laughlin**: "You have been a most rewarding class from a teacher's viewpoint both in attitude and academic ability. I wish each and every one of you the highest possible level of success, especially in finding suitable husbands and wives. Be sure to send your children—you know where—for their college education."

\*\*\*\*\*

**Alice Brumbaugh**: When approached as to whether she would make a comment about the class of '56 or some of its members under her capable leadership the eminent head of the sociology department passed the duty on to her incapable and most uneminent assistant. This assistant refused to comment on the grounds of—you guessed it—The Fifth Amendment.

\*\*\*\*\*

**Alex Fehr**: (Ode to the Class of '56, aided in this decomposition by his wife.)

Farewell, O Class of '56  
Of you I'll long remember  
My nerves are frayed,  
My hair turned gray,  
My frame no longer slender.

But if at all I've made you feel  
You've struggled not in vain  
And in this world you'll lend a hand  
So that peace we can attain.

I'll be content to offer only  
One little piece of advice,  
Don't grab for life in one big chunk  
But take it slice by slice.
